

# Nightwork on the Great Western Highway at Forty Bends on Monday 4 March

March 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government is carrying out emergency maintenance work on the Great Western Highway at Forty Bends, between Lithgow and Hartley.

## What work are we doing?

We are sealing cracks in the surface of the road at Forty Bends, approximately six kilometres east of Lithgow.

## When and where we'll be working

The work will be carried out in one night from **7pm on Monday 4 March to 5am on Tuesday 5 March**, weather permitting.

## What will this mean for you?

The work will involve machinery which generates noise. We will make every effort to minimise this

by turning off machinery and vehicles when not in use.

## Traffic changes

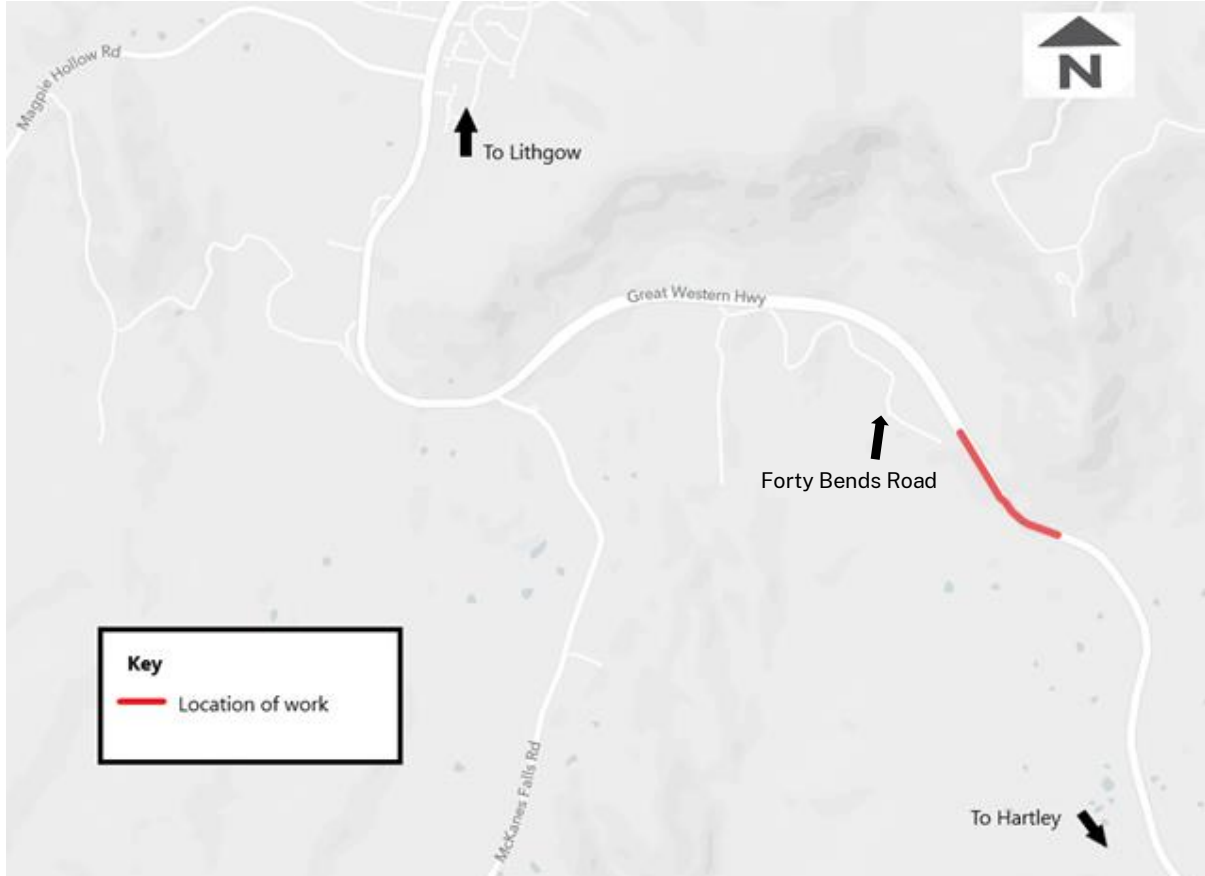

Traffic control, lane closures, a reduced speed limit of 40km/h and intermittent stopping will be in place during work hours and may affect travel times. Motorists should allow up to five minutes extra travel time during this work.

Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.
