

Nightwork on Chifley Road between Scenic Hill and Clarence from Monday 22 July

June 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is carrying out essential culvert work on Chifley Road between Scenic Hill and Clarence to improve road safety.

What work are we doing?

Essential culvert maintenance.

When and where we'll be working

We will be working on **Chifley Road at Scenic Hill**, and to minimise impacts to motorists these works will be carried out at night between **7:30pm** and **5:30am**.

We expect the work to take **three nights** to complete, weather permitting, and will let you know in advance if we need to do any work outside of these hours.

We have included a map to show the location of the works and the detour that will be in place.

What will this mean for you?

You may notice:

- noise from machinery and equipment
- traffic control and signage in place
- road closures and reduced speed limits.

Traffic impacts

During work hours, Chifley Road will be closed between 500 metres east of Evelyn Street, in Lithgow and at Petra Avenue in Clarence.

A detour will be in place via Darling Causeway and the Great Western Highway.

Road users should drive to the conditions, follow the directions of signs and traffic control and allow an additional 15 minutes travel time for the detour.

For the latest traffic updates, call 132 701, or visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

We understand that this work will generate some inconvenience and we thank you for your patience.

Managing our impacts

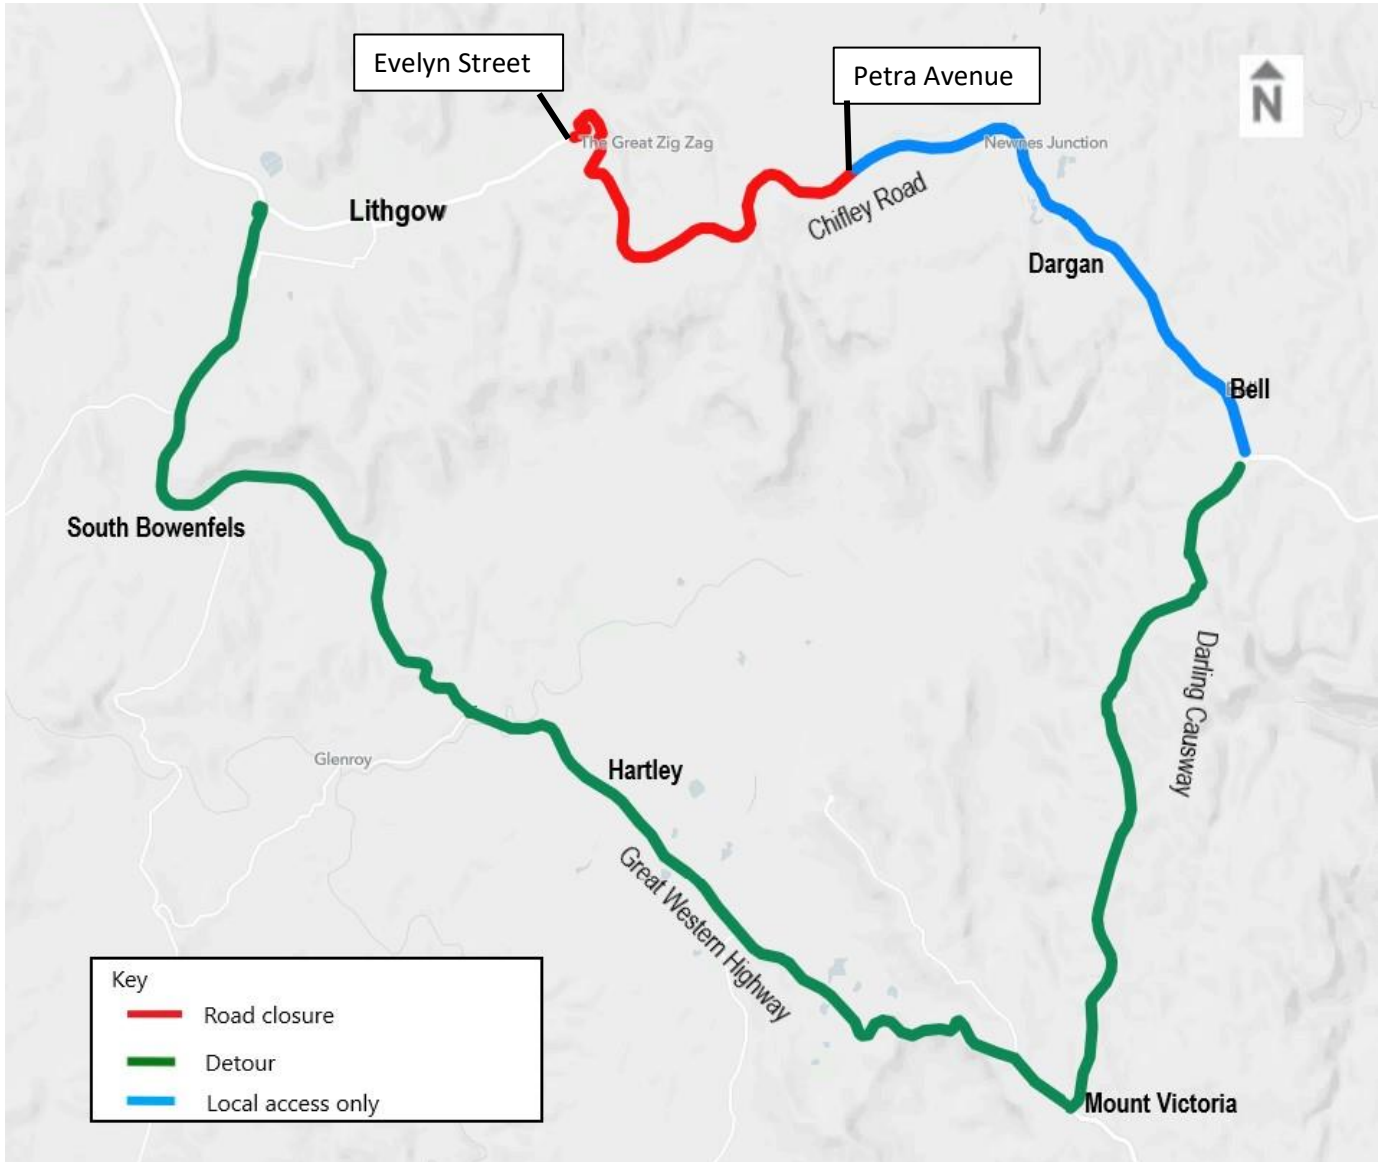

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- reducing our noise as much as possible
- turning off machinery and vehicles when not in use
- directing lighting away from residences.
