

Changed traffic conditions at Fish River Bridge in O'Connell from Monday 11 November

November 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW will be carrying out investigation work near Fish River Bridge in O'Connell.

What work are we doing?

The work will involve drilling a number of boreholes on the bank and within the waterway of the Fish River to help inform potential foundation and design options for a pedestrian bridge.

To make the area safe for work, we will also undertake vegetation clearing on the banks of the river.

When we'll be working

Work will commence from **Monday 11 November 2024**, and is expected to take up to **six weeks** to complete, weather permitting.

Working hours are **7am to 6pm, Monday to Friday**.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Temporary traffic signals and a reduced speed limit of 40 km/hr will be in place during work hours for the safety of workers and motorists.

Outside work hours, traffic signals will not be in place and the speed will revert to the posted speed limit.

Please keep to the speed limits and follow the direction of traffic controllers and signs.

What this will mean for you

You may notice:

- Traffic control in the area
- Reduced speed limits
- Some noise from plant and equipment
- A section of Hassall Park will be closed during the work.

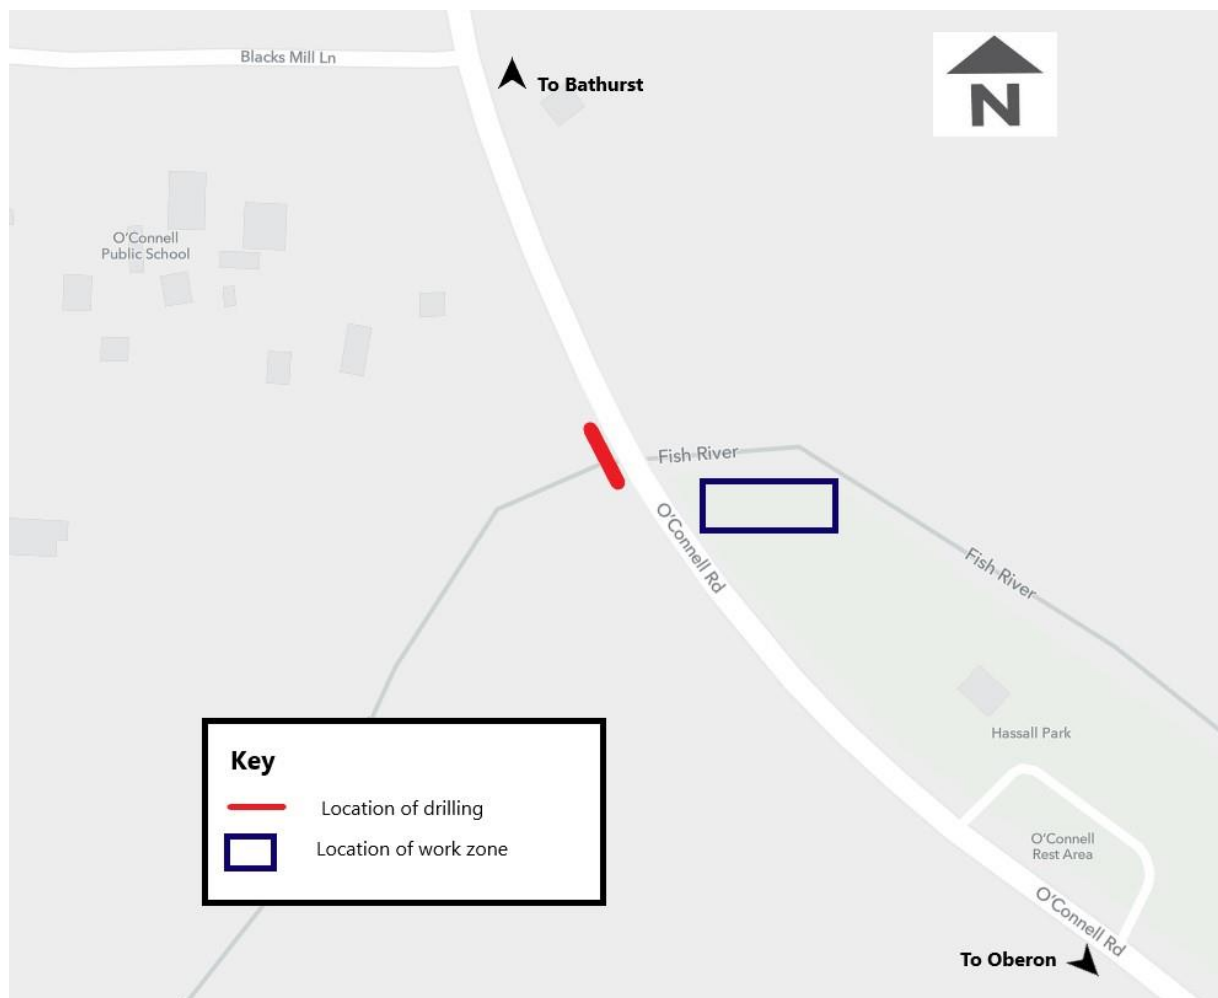

Managing our impacts

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- Reducing noise as much as possible by working in stages
- Turning off plant when not in use.

Location of work area

To help us keep you informed, you can register your details with us by emailing western.projects@transport.nsw.gov.au or calling 1800 167 499 for more information.
