

Changed traffic conditions on Bogan Road in Parkes from 28 August 2024

Newell Highway upgrade, Parkes Bypass

August 2024

Transport for NSW acknowledges the Wiradjuri People as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Australian and NSW Governments are investing in the Parkes Bypass which will improve connectivity, efficiency and safety for all motorists.

What work are we doing?

Commencing construction of the next stage of work at the western end of Bogan Road.

The work will involve:

- stripping of topsoil within our temporary works footprint
- excavation to foundation level and treatment of foundation
- placement of pavement layers
- bituminous sealing works.

This will allow us to construct the full extent of the new Bogan Road pavement prior to a major traffic switch scheduled for the end of the year.

When and where we'll be working

We expect this work to take **two weeks** from **Wednesday 28 August**, weather permitting. Work will be carried out between **7am and 6pm** from **Monday to Friday** and **8am to 6pm** on **Saturdays**.

We will let you know in advance if we need to do any work outside these times.

Traffic changes

To ensure the safety of motorists and our workers, there will be some traffic changes in place. These include a reduced speed limit of 40 km/h, lane closures and intermittent stopping.

Outside of work hours, both lanes will reopen to two way traffic.

For the latest traffic updates, call 132 701, or visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

Managing our Impacts

We aim to manage our work to avoid impacts to the community and the environment.

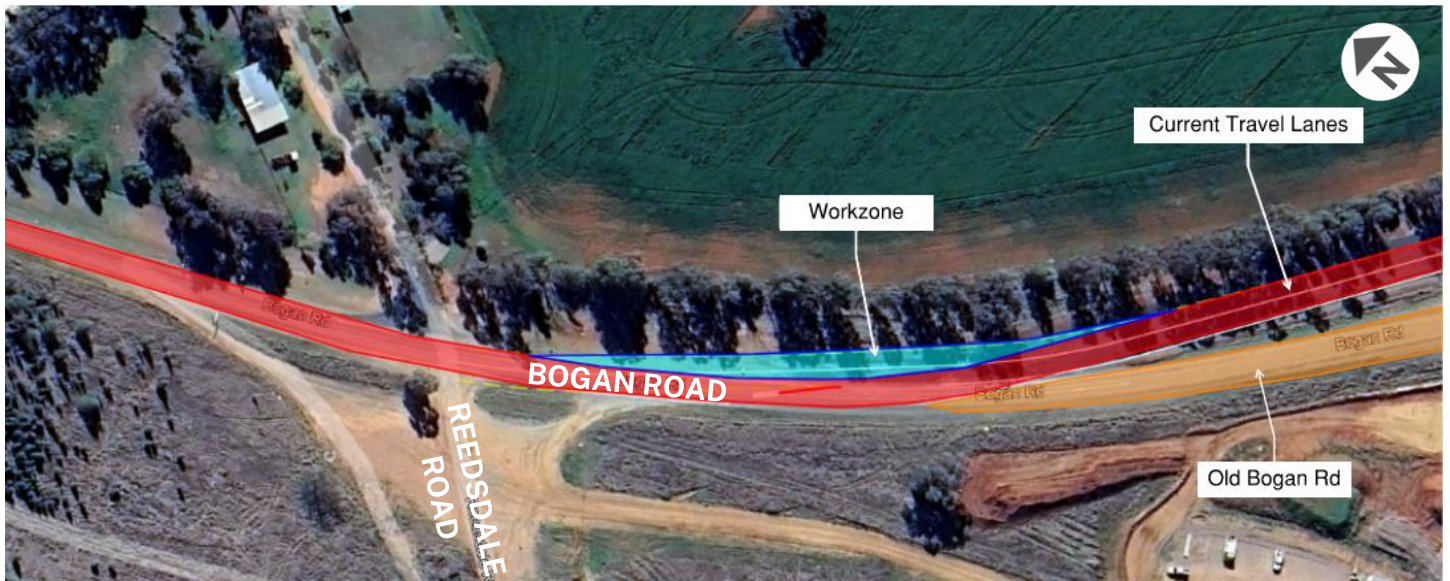

This includes:

- using watercarts to suppress dust
- arranging the work in stages at different locations
- Turning off machinery and vehicles when not in use
- variable messaging signs in place to direct traffic.

We thank you for your patience during this time.
