

Nightwork at the intersection of Brolgan Road and new Hartigan Avenue extension from Monday 19 February

Newell Highway upgrade, Parkes Bypass

February 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Parkes Bypass will improve connectivity, road transport efficiency and safety for all motorists.

What work are we doing?

To prepare for an upcoming traffic switch onto the new Hartigan Avenue extension in coming weeks, asphaltting work is scheduled to take place at the intersection of Brolgan Road and the new Hartigan Avenue intersection.

The work will take place at night to minimise work time and reduce impacts to motorists.

When and where we'll be working

We will be working at night at the intersection of the Brolgan Road and the new Hartigan Avenue extension.

We have included a map over the page to show the location of the work.

Nightwork is expected to take place over two nights on **Monday 19 and Tuesday 20 February** from **6pm to 6am**, weather permitting.

We will let you know in advance if we need to do any work outside these times.

Traffic changes

There will be temporary traffic changes in place to safely enable work to be carried out.

This includes:

- A single lane closure to help manage traffic flow.
- A reduced speed limit of 40 km/h for the duration of the work
- Intermittent stopping of traffic to assist with the works.

Managing our impacts

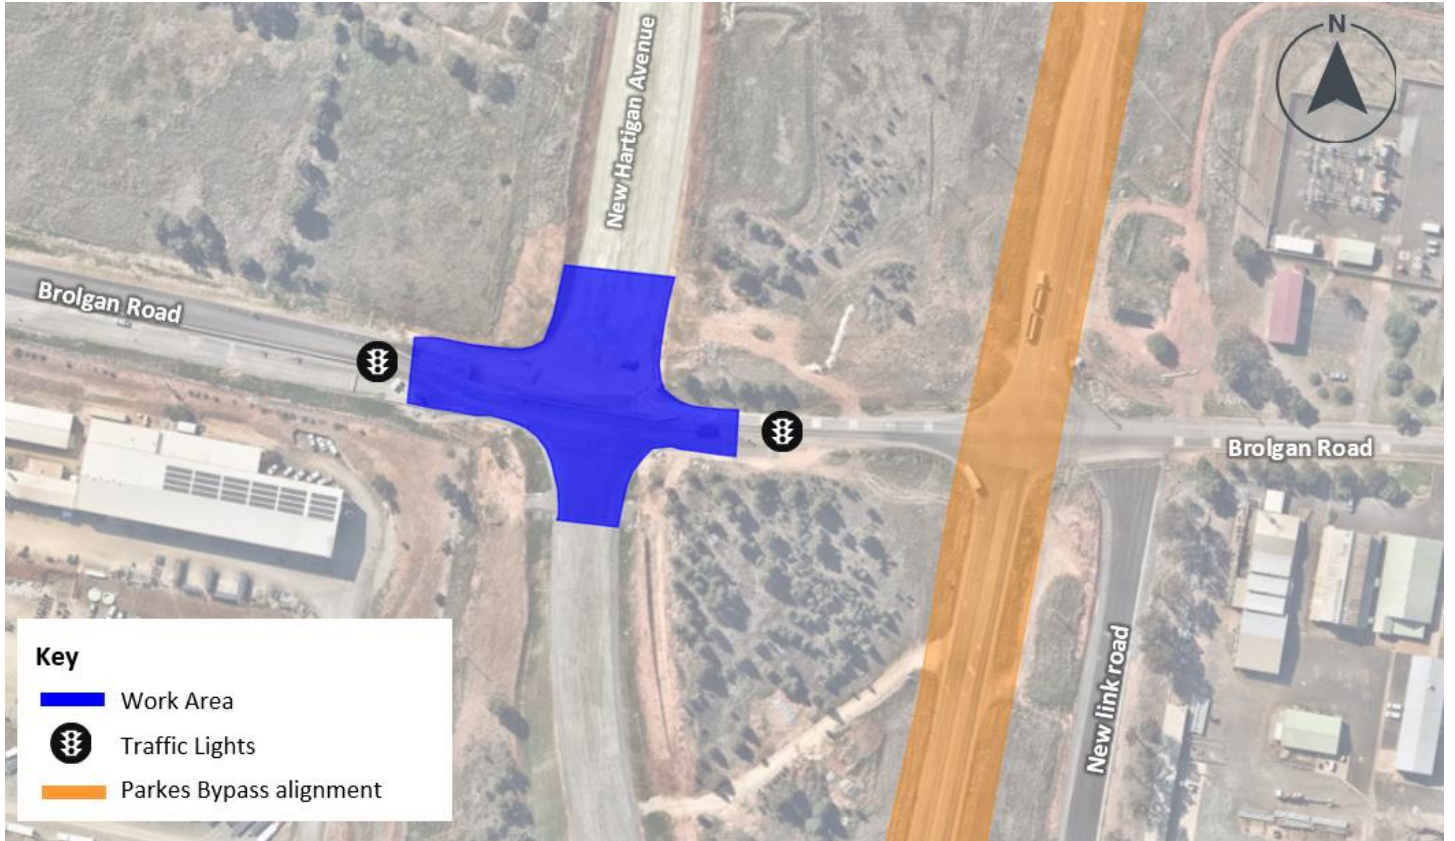

We aim to manage our work to avoid impacts to the community and the environment. This includes:

- Arranging the work in stages at different locations
- Turning off machinery and vehicles when not in use
- Use of variable messaging signs (VMS) to direct traffic

Thank you for your patience during this important work.
