

Temporary closure: Lancelot Street and Prospect Highway intersection from 12 April

Prospect Highway Upgrade

March 2024

Australian Government

Transport for NSW acknowledges the Darug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government is upgrading 3.6 kilometres of Prospect Highway between Reservoir Road, Prospect and St Martins Crescent, Blacktown to reduce congestion and help meet future traffic demands on this corridor.

What work are we doing?

- excavation and pavement demolition
- drainage and utility works
- placement of materials
- pavement construction
- kerb and gutter installation
- line marking and barrier installation

When and where we'll be working

We will carry out pavement works at the intersection of Lancelot Street and Prospect Highway from **8pm Friday 12 April to 5am Monday 15 April and 8 pm Friday 19 April to 5am Monday 22 April** (weather permitting).

Our work schedule

During this period, we will be working 24 hours a day to complete this work to get the intersection back open as quickly as possible.

What will this mean for you?

The night work will involve some use of noisy machinery. We will make every effort to lessen the disturbance where possible, completing noisier

work earlier in the evening and turning off vehicles when not in use.

Traffic Changes

To complete works at the intersection of Lancelot Street and Prospect Highway, access will be closed between 8pm Friday 12 April to 5am Monday 15 April and 8pm Friday 19 April to 5am Monday 22 April.

Detour:

Access from Lancelot Street onto Prospect Highway will be temporarily closed.

Residents wanting to access Lancelot Street from Prospect Highway southbound will need to detour via Keyworth Drive and Pendant Avenue. This will add an extra two-minute travel time.

Access to Lancelot Street from Prospect Highway northbound is unaffected and will remain the same.

Electronic message signs will be activated in both directions. Traffic control will be in place during work hours for the safety of workers and road users.

Motorists should follow signs and the traffic controller's direction and allow extra time as there may be minor delays.

Location of work and detour to Prospect Highway
