

Investigation work on Richmond Road between Yarramundi Drive, Dean Park and Townson Road, Marsden Park from 30 August

Richmond Road Upgrade August 2024

Australian Government

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW will be carrying out investigation work along the 2.2 kms section of Richmond Road between Yarramundi Drive, Dean Park and Townson Road, Marsden Park.

The additional information from the investigation work will help us plan future road safety and traffic efficiency improvements in the area.

What work are we doing?

- surveying the area and carrying out utility investigations to understand the ground conditions and locate underground utilities
- geotechnical assessment works including potholing, digging trenches and holes - all pits and holes will be filled
- a biodiversity assessment to measure the ecosystem (flora and fauna), contamination, noise and traffic studies

Our work schedule

We will be on site from **Friday 30 August to Friday 29 November**, weather permitting.

Our daytime hours are 7am and 5pm from Sunday to Friday.

Our night-time work hours are 8pm and 4am from Sunday to Friday.

We will not work on Saturdays and public holidays.

What will this mean for you?

We will work up to 22 night shifts over the period to reduce traffic disruption and any risks to the workers and road users during the day.

The night work will involve some use of noisy machinery. We will make every effort to lessen the disturbance where possible, completing noisier work by 11pm and turning off vehicles when not in use.

We will work for no more than two nights each week in one location.

Traffic changes

There will be temporary lane closures during night work hours to ensure the work zone is safe.

Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, call **132 701**, visit **livetraffic.com** or download the Live Traffic NSW App.
