

Investigation work on Richmond Road between Yarramundi Drive and Townson Road, Marsden Park from 1 February

Richmond Road upgrade

January 2024

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW will be carrying out investigation work along the 2.2 kms section of Richmond Road between Yarramundi Drive and Townson Road, Marsden Park. The information from the investigation work will help us plan future road safety and traffic efficiency improvements in the area.

What work are we doing?

- surveying the area and undertaking utility investigations to establish ground conditions and locate underground utilities
- geotechnical assessment works including potholing, trenching and bore holing - all pits and holes will be backfilled and reinstated
- biodiversity assessment, contamination, noise and traffic studies

Our work schedule

We will be on site from **Thursday 1 February to Tuesday 30 April**, weather permitting.

Our daytime hours are 7am and 5pm from Sunday to Friday.

Our night-time work hours are 8pm and 4am from Sunday to Friday.

We will not work on Saturdays and public holidays.

What will this mean for you?

We will work up to 22 night shifts over the period to reduce traffic disruption and any risks to the workers and road users during the day.

The night work will involve some use of noisy machinery. We will make every effort to lessen the disturbance where possible, completing noisier work by 11pm and turning off vehicles when not in use. We will work for no more than two nights each week in one location.

Investigation work on Richmond Road between Yarramundi Drive and Townson Road, Marsden

Traffic changes

There will be temporary lane closures during night work hours to ensure the work zone is safe.

Please keep to speed limits and follow the direction of traffic controllers and signs.
