Southern Link Road

December 2024

**Concept design of the new
proposed Southern Link Road**

Planning is underway for Southern Link Road, the proposed east-west road that will connect Wallgrove Road in Horsley Park to Mamre Road in Kemps Creek.

We will be progressing Southern Link Road in three stages due to the scale and complexity of the project:

- Stage 1A - Mamre Road to Compass Drive
- Stage 1B - Compass Drive to Old Wallgrove Road
- Stage 2 - Old Wallgrove Road to Wallgrove Road

We are developing Final Business Cases for Stages 1A and 1B. A Final Business Case is a project proposal that helps the NSW Government make informed decisions about investments. It needs to be done before other activities such as design, environmental assessment and construction.

Stage 2 is also on track to progress to corridor preservation, the process of reserving land for future transport infrastructure.

We expect these will all be completed by the end of 2025, subject to approvals.

Next steps

Dates are estimated and are subject to approvals.

Key features

Strategic investigations
2019-2021
