What work are we doing?

In January 2025, we will be undertaking the following work:

- track and fencing
- signal infrastructure removal
- yard demobilisation
- spoil removal
- equipment and material deliveries.

Some work and deliveries are required to take place outside of standard construction hours between:

- **6pm Friday 10 January and 7am Monday 13 January**
- **6pm Friday 24 January and 7am Monday 27 January**

Some minor midweek work and deliveries will also take place outside of standard construction hours. This work has been assessed and will be continually monitored, however is not expected to be noticeable.

Where we'll be working?

Work will take place inside our site compounds and the rail corridor.

Standard construction hours are between **7am until 6pm Monday to Friday and 8am until 1pm on Saturdays.**

What will this mean for you?

You may notice:

- workers and construction vehicles
- lighting from temporary lighting towers
- noise from machinery and equipment.

Managing impacts

We understand construction activities may cause disruption to our closest neighbours, and every effort will be made to minimise the impacts where possible, including:

- turning off equipment when not in use and using non-tonal reversing alarms to reduce potential noise impacts
- locating equipment as far away from residents and businesses as possible
- directing lighting away from residents
- conducting on-site monitoring to ensure compliance with strict environmental conditions relating to noise, vibration and dust management.
