

## More Trains, More Services

The More Trains, More Services program will simplify and modernise the rail network creating high capacity, turn up and go services for many customers.

In February 2024 we will carry out investigation activities and repair minor defects inside the rail corridor. Some of this work will be completed outside of standard construction hours (**7am to 6pm Monday to Friday, and 8am to 1pm on Saturdays**) between:

- **6am and 6pm from Wednesday 14 February to Wednesday 21 February 2024**
- **10pm Friday 16 February and 2am Monday 19 February 2024.**

Noise from this work is not expected to be intrusive. We will make every effort to minimise impacts as much as possible and thank you for your patience during the upcoming work.

If you would like more information, please email us at [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or call **1800 684 490** and ask to speak to the More Trains, More Services team.
