

Changed traffic conditions on the Castlereagh Highway between Ben Bullen and Capertee

Castlereagh Highway

March 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government is funding important maintenance work on the Castlereagh Highway to provide a stronger, longer lasting and safer road.

What work are we doing?

Will be carrying out culvert maintenance work between Ben Bullen and Capertee on the Castlereagh Highway, which includes:

- Replacing of culvert headwalls
- Relining and replacement of culverts
- Restoring the site when our works are finished

When and where we'll be working

Work will take place at two locations between Ben Bullen and Capertee on the Castlereagh Highway from **Monday 11 March**, and is expected to take **four weeks** to complete, weather permitting. Working hours are **7am to 5pm from Monday to Friday**.

We have included a map to show the location of work.

Traffic impacts

There will be some temporary traffic changes to ensure the work zone is safe including intermittent stopping.

For the safety of workers and motorists, lane closures and a reduced speed limit of 40 km/h will remain in place both during and outside of work hours, until the work is completed.

All road users are advised to follow the directions of signs and traffic control and slow down on approach.

For the latest traffic updates, call 132 701, or visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

Managing our impacts

We aim to manage our work to avoid impacts to the community and the environment.

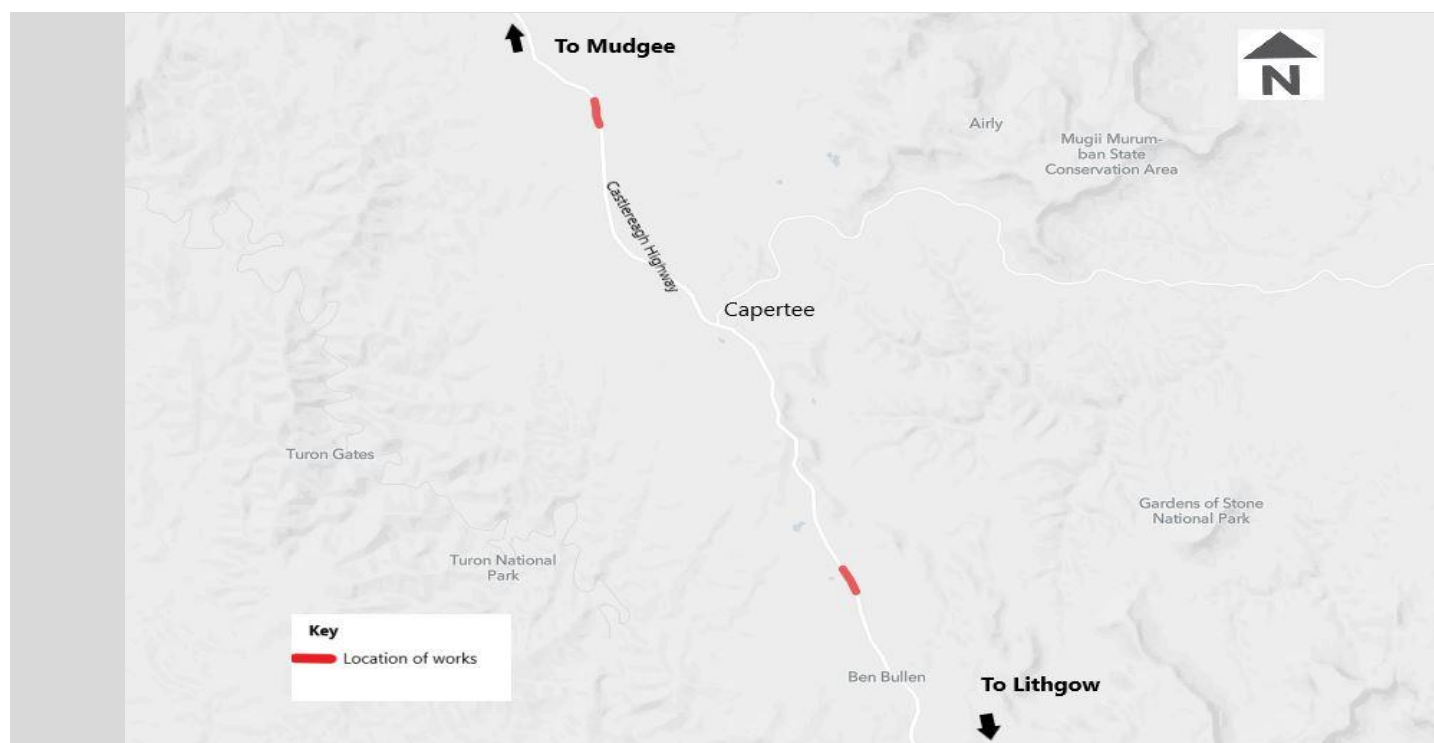

This includes:

- Reducing our noise as much as possible
- Turning off machinery and vehicles when not in use

We understand that this work will generate some inconvenience and we thank you for your patience.
