## Burwood Road Rail Bridge maintenance works

From Friday 3 May to Monday 6 May 2024

### What we're doing

Sydney Trains is undertaking improvement works at Burwood Road Rail Bridge at Burwood Station from Friday 3 May to Monday 6 May 2024.

The improvement works include steel repair and concrete repairs.

We understand this work may have an impact on you and we appreciate your patience and understanding.

### How this affects you

#### Noise

- These works will create additional noise throughout the day and at night.
- **Work will take place from 10pm Friday 3 May to 11pm Sunday 5 May.**
- We will select low-noise compressors and equipment where low-noise alternatives are available.
- Equipment may be delivered to the worksite outside the above working hours. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works may take place following this period, including the removal of equipment.

#### Traffic and road closures

- **Two lanes will be temporarily closed to traffic on Burwood Road, between Railway Parade and Railway Crescent, from 4pm Saturday 4 May to 12am Sunday 5 May.** A contraflow will be in place during this period to maintain one lane of traffic in both directions.
- **Railway Crescent, between John Street and Burwood Road will also be temporarily closed to traffic from 4pm Saturday 4 May to 12am Sunday 5 May.**
- **Street parking on Deane Street will be limited.**
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

#### Burwood Railway Station access

- Pedestrian access to Burwood Station and businesses will be maintained throughout the weekend.
- Buses replace trains for some rail lines during this period. Please plan ahead and visit [transportnsw.info](https://transportnsw.info) to find updated trackwork information.
- **Temporary pedestrian detours will be in place on Burwood Road between Railway Crescent and Railway Parade.**
- Follow the signs for the pedestrian detour and directions from the traffic management team.
- Please allow for additional travel time to get to the Burwood Station entrance.

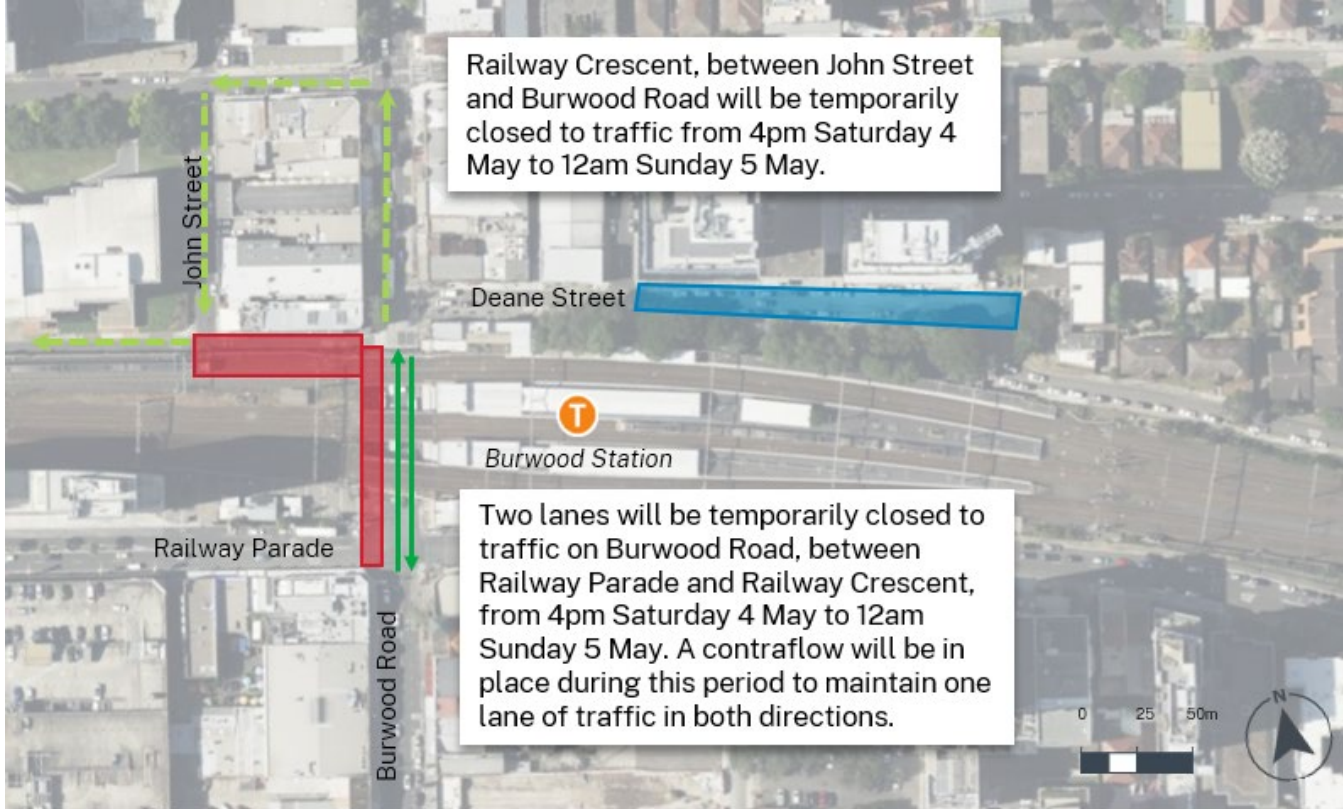

We apologise for any inconvenience and thank you for your cooperation during these essential works.
