

Changed traffic conditions on Oxley Highway south of Gilgandra from Monday 16 September

September 2024

Transport for NSW acknowledges the Wiradjuri people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government is carrying out essential maintenance works on the Oxley Highway 9.8 kilometre west of Gilgandra.

What work are we doing?

Transport for NSW (Transport) will be carrying out road widening and strengthening works to improve safety and the road surface at this location on the highway.

We have included a map to show the location of the work and traffic changes.

When and where we'll be working

Work will take place along a 1.2-kilometre section of the Oxley Highway, east of the Townsends Lane intersection.

Work will be carried out from **16 September** between **6am and 6pm** from **Monday to Friday** and **6am to 6pm** on **Saturday**.

We expect to complete the work in **8 weeks**. All work activities and dates are subject to weather and site conditions.

What will this mean for you?

There will be some temporary traffic changes to ensure the work zone is safe. The road will remain open with **single lane closures, intermittent stopping, and a 40km/h speed limit in place during work hours** which may affect travel times.

The speed limit will be **60km/h outside work hours**. Motorists should allow up to **5 minutes** extra travel time.

Please keep to the speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can download the **Live Traffic NSW app**, visit **livetraffic.com** or call **132 701**.

Managing our impacts

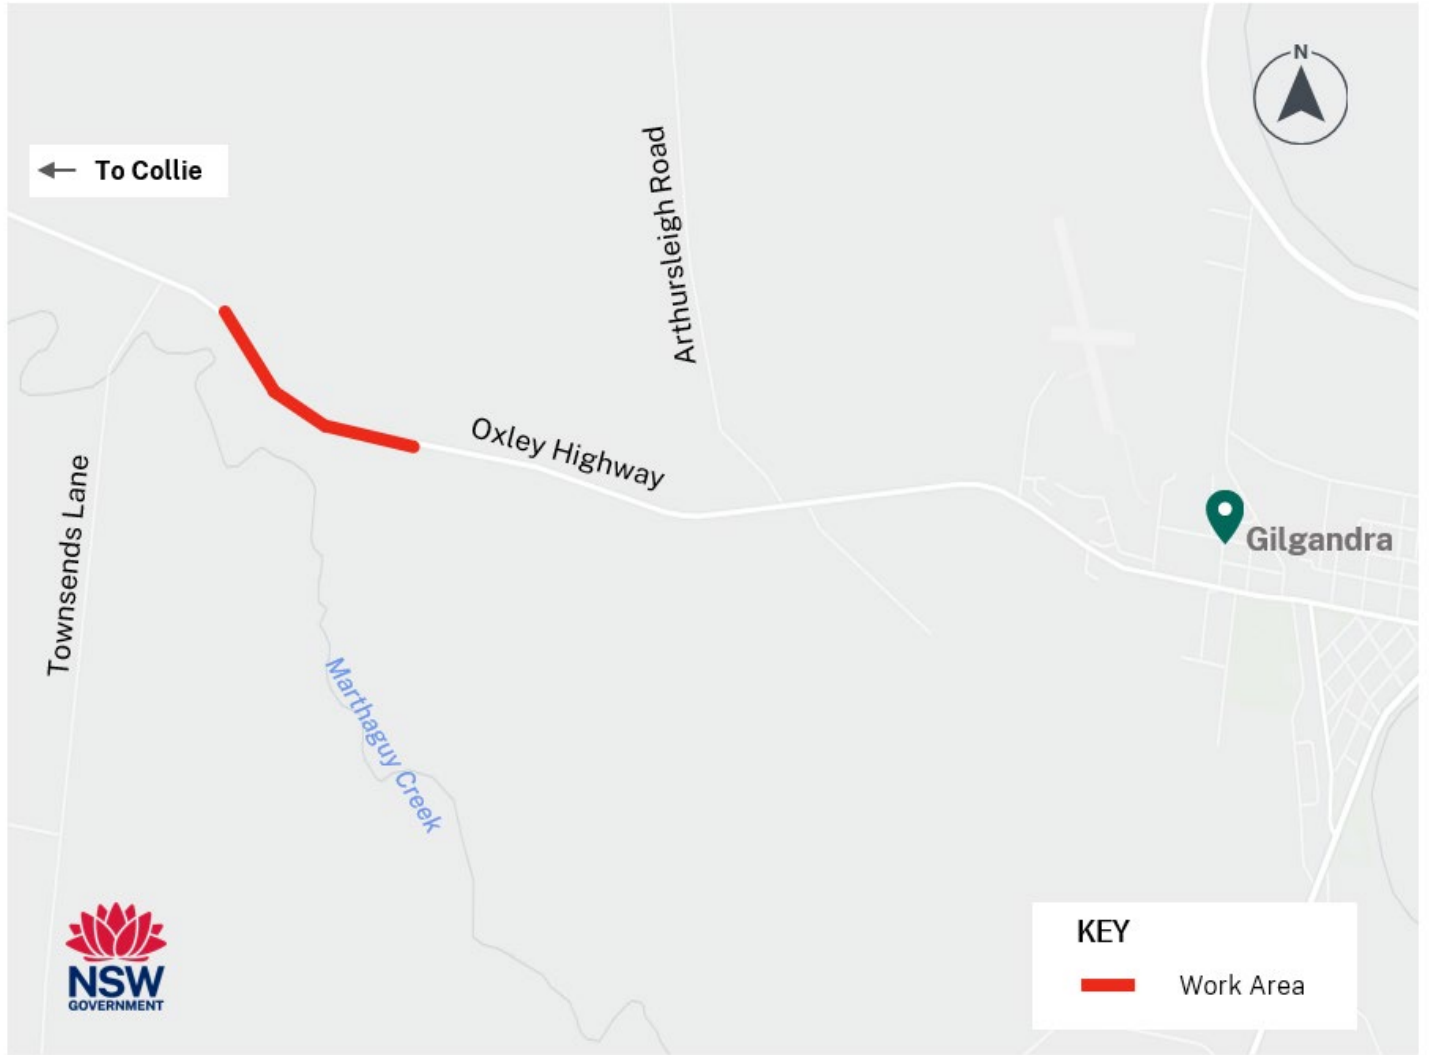

We aim to manage our work to minimise impacts to the community and environment.

The work will involve the use of machinery which will generate some noise. We will make every effort to minimise noise by completing louder activities earlier in the morning and turning off machinery and vehicles when not in use.

Transport will be using our local depot, located on Warren Road opposite the Marshall Road intersection. There may be increased movement and noise for the duration of the work to move materials, machinery and equipment to and from the work area.

We understand that the work will generate some inconvenience and we thank you for your patience.

Location of works - Oxley Highway, west of Gilgandra
