for NSW

Intelligent Transport Systems

Type Approval

Certificate No:	ITS-TAN000141
------------------------	----------------------

Issued to:

Platinum Cables

For:

Device Type	Cables for Traffic Signal Installations		
TfNSW Specification:	TSI-SP-046	Version:	1.0

Summary Scope:

Loop Cable, Feeder Cable & Power Cable.

Evaluation Reference:	ITS-EV00348	Approver	Snr Manager Specifications and Evaluations
Approver Signature:	<i>Raj J Roychoudhry</i>	Date	3/11/2023

A) Description and itemisation of the equipment covered by the Type Approval:

Product	Manufacturer Part No
1 pair feeder cable	TRA1PG1.5-BB
Single core loop cable	TRA1G1.5
29 core traffic signal power cable	TRA26G-3G4

B) Summary of deviations from specified requirements

Nil

C) Relevant Specifications, Drawings and Standards:

TfNSW Specification: TSI-SP-046 Traffic Signal Cables Issue 1.0

D) Conditions of use

Normal use of cables for traffic signal installations.

E) Related Certification History.
