

Night work detours on Memorial Avenue in April due to Asphaltting

Memorial Avenue upgrade, Kellyville

March 2024

Transport for NSW acknowledges the Darug people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Memorial Avenue is being upgraded to a four-lane road between Old Windsor Road and Windsor Road at Kellyville to reduce travel times and congestion and improve road safety.

What work are we doing?

Transport for NSW will asphalt and line mark at Old Windsor Road and Memorial Avenue, Kellyville.

When we'll be working

The work will take place on **Wednesday 3 April** and **Thursday 4 April** between **7pm** and **5am**.

We will continue with our normal work hours between **7am** and **6pm** on **weekdays** and **8am** and **1pm** on **Saturdays**.

Dry weather is necessary to carry out the work; in the event of wet weather, the work will be rescheduled to Sunday 7 April and Monday 8 April.

What will this mean for you?

Access to Memorial Avenue will be temporarily closed to traffic during this work, with exceptions for residents. Detours will be in place:

- for northbound traffic, via Windsor Road and Old Windsor Road

- for southbound traffic, via Windsor Road and Norwest Boulevard.

Bus services and emergency services will not be impacted by the closures or detours.

Traffic control in place and the speed limit on Memorial Avenue will be temporarily reduced to 40km/h.

Motorists are advised to allow extra travel time as there will be delays. Please keep to speed limits and follow the direction of traffic controllers and signs.

We will do this work at night for the safety of motorists and workers and to ensure work is carried out as efficiently as possible.

Access for local residents and businesses

Local residents and businesses can still access Memorial Avenue during the work through Windsor Road or Fairway Drive, Balmoral Road, and Free Settlers Drive.

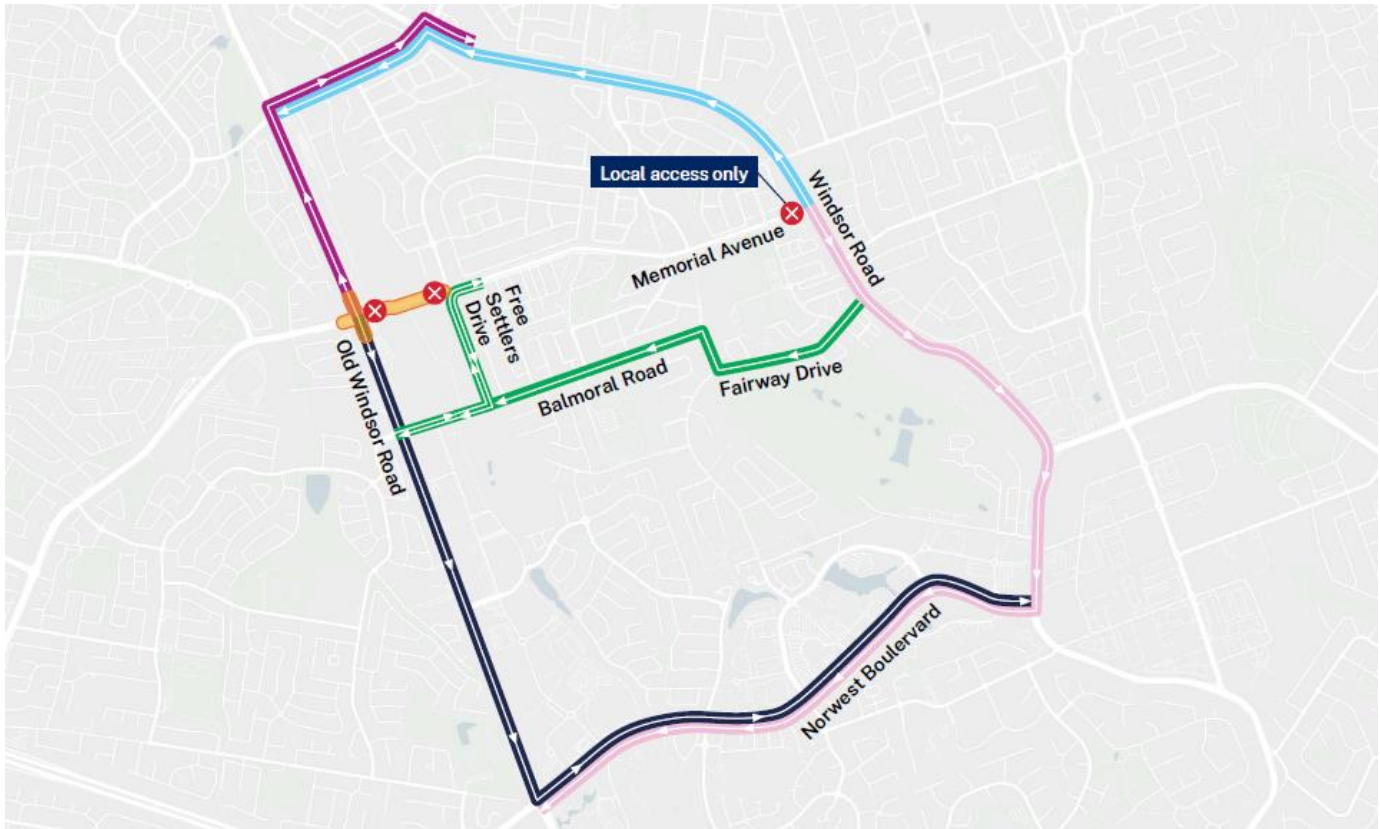

Managing our impacts

Measures to reduce noise will include:

- turning off equipment when not in use
- completing noisiest tasks by midnight.
