

Macquarie Fields Station Upgrade – Community Notification

Safe Accessible Transport program

December 2024 – January 2025

Transport for NSW acknowledges the Dhwarawal people of the Dhwarawal Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW (Transport) is upgrading Macquarie Fields Station to improve accessibility, amenity and safety.

Transport has now appointed Arenco (NSW) Pty Ltd to complete the final design and deliver the Macquarie Fields Station upgrade.

What work are we doing?

Site investigations are currently underway in and around the station to survey and locate underground utilities.

Work in December and January will include survey using handheld equipment, geotechnical investigations using vacuum trucks, and potholing with small drilling rigs. Findings will help inform the final design.

When and where we'll be working

We'll be working on Railway Parade in and around Macquarie Fields Station during normal working hours from **Friday 13 December 2024 to Friday 31 January 2025**.

Working hours are **7am to 6pm, Monday to Friday and 8am to 1pm, Saturday**.

What will this mean for you?

Work will be carried out during standard construction hours.

You may notice:

- Workers and vehicles
- Traffic controllers and signage
- Some machinery and equipment noise

There will be some temporary changes for pedestrians and cyclists when we're working next to footpaths and at the station entrance.

Traffic controllers and signage will be in place to provide directions.

Equipment to be used includes a vacuum truck, small drilling rig and hand tools which will move between sites.

Managing our impacts

We aim to manage our work to avoid impacts to the community by:

- Reducing noise as much as possible by turning off equipment when not in use and using non-tonal reversing beepers
- Providing traffic controllers or signage to direct pedestrians.

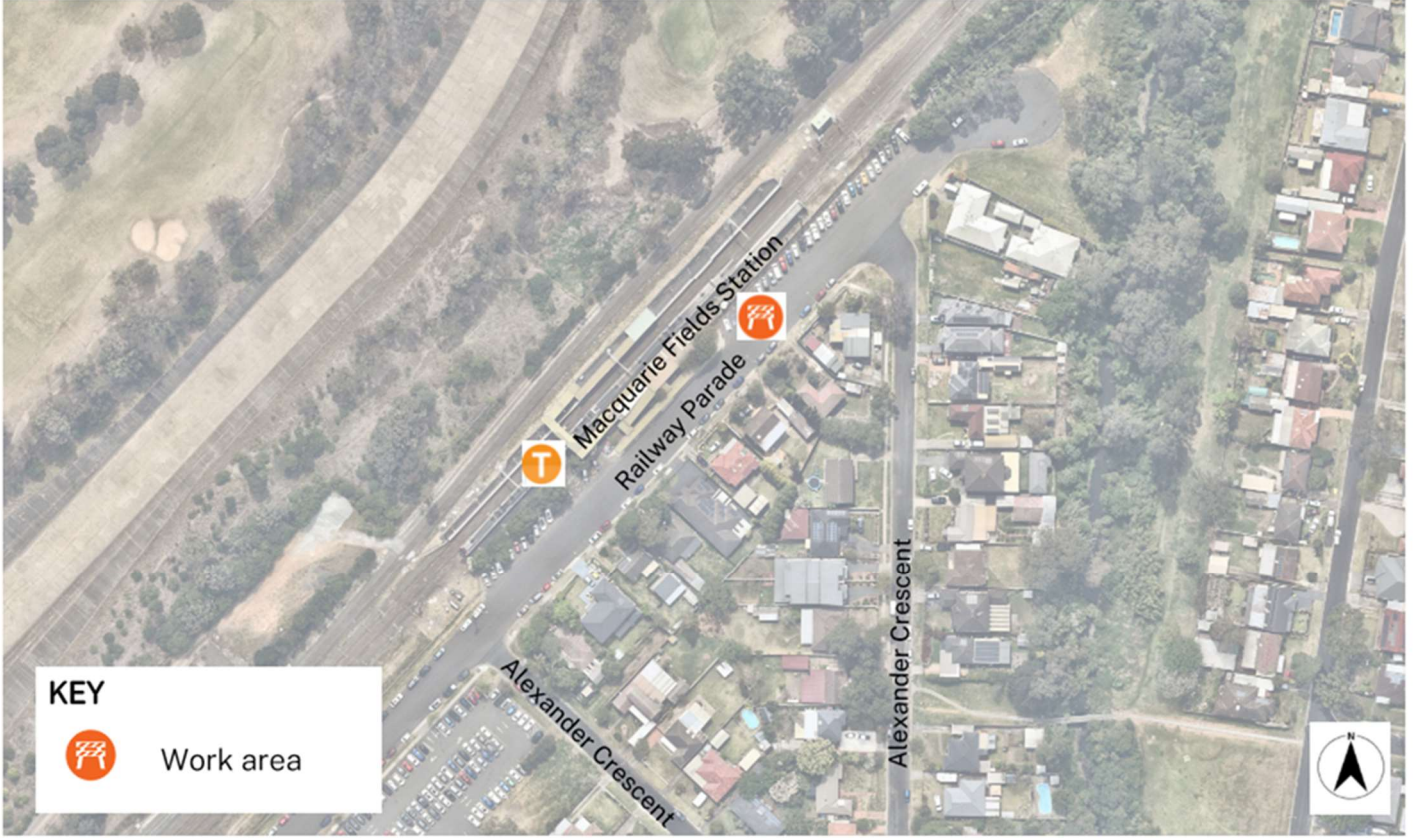

Christmas Shutdown

No work will be carried out during the Christmas holiday period between **Friday 20 December 2024 and Friday 3 January 2025**.

Transport wishes you a safe and happy holiday.
