

# Changed traffic conditions on the Mid-Western Highway near Carcoar

February 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is carrying out essential maintenance works on the Mid-Western Highway, five kilometres north of Carcoar to provide a stronger, longer lasting and safer road.

## What work are we doing?

Will be carrying out maintenance work along a 200 metre section of the Mid-Western Highway, which includes asphalt patching.

Work includes:

- Using heavy machinery along the road
- Pavement rehabilitation
- Restoring the site when our works are finished.

## When and where we'll be working

Work will take place five kilometres north of Carcoar on the Mid-Western Highway. We have included a map to show the location of work.

Work is expected to take four weeks to complete and will commence on **Monday 12 February 2024**, weather permitting.

Working hours are **6am to 6pm from Monday to Friday**.

## What will this mean for you?

You may notice:

- Noise from machinery and equipment
- Traffic control and signage in place

## Traffic Impacts

There will be some temporary traffic changes to ensure the work zone is safe including intermittent stopping.

For the safety of workers and motorists, lane closures and a reduced speed limit of 40km/h will remain in place both during and outside of work hours, until the work is completed.

All road users are advised to follow the directions of signs and traffic control and slow down on approach.

For the latest traffic updates, call 132 701, or visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

We understand that this work will generate some inconvenience and we thank you for your patience.

## Managing our Impacts

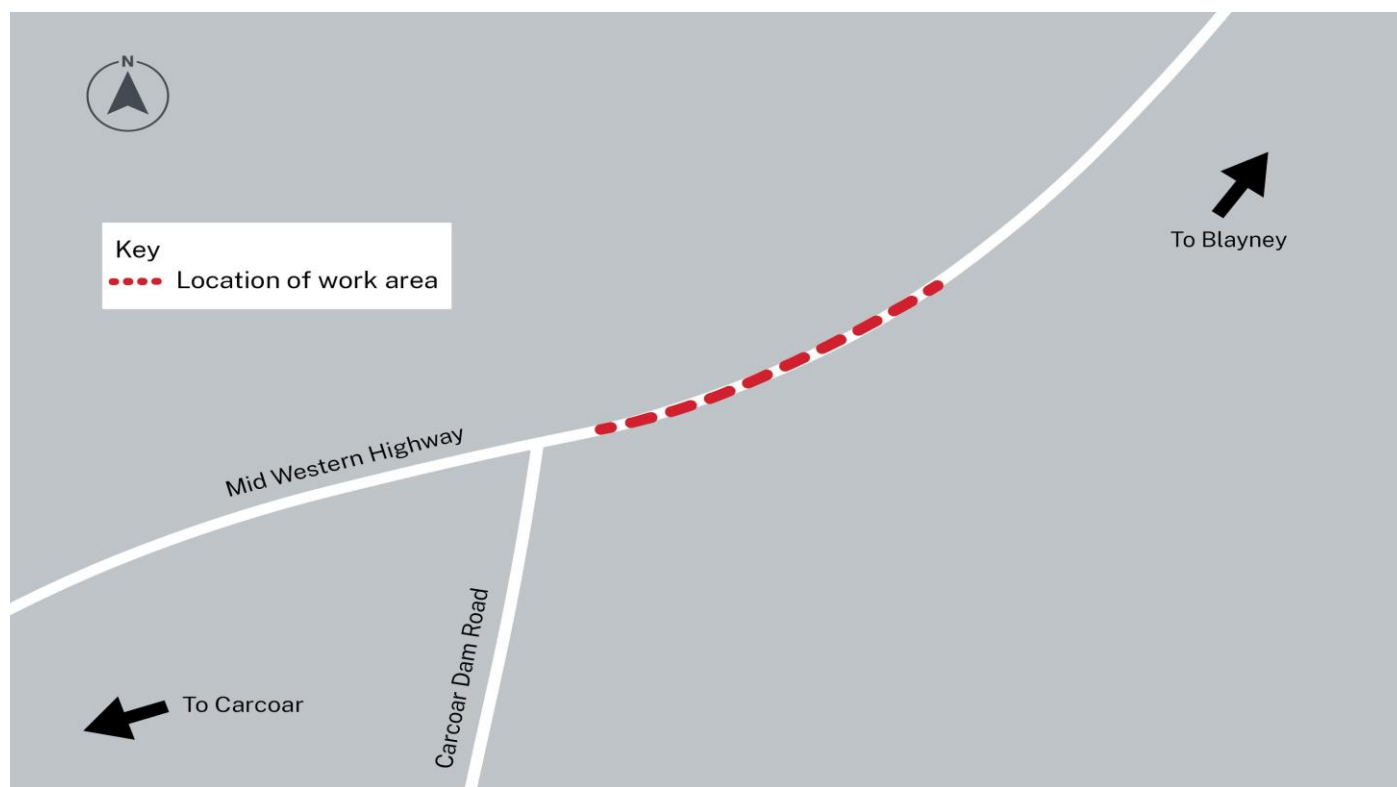

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- Reducing our noise as much as possible
- Turning off machinery and vehicles when not in use
