

Nightwork for essential pavement maintenance on the Golden Highway in Dubbo from Sunday 28 July

July 2024

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is carrying out essential maintenance work on the Golden Highway in Dubbo.

What work are we doing?

The work will include asphaltting to repair the damaged road surface on Cobbora Road between the King Street intersection and the White Street intersection.

We have included a map to show the location of the work area.

When we'll be working

We will be working between **7pm and 5am Sunday to Friday**, from **Sunday 28 July**.

We expect to complete the work in **three shifts**. All work activities and dates are subject to weather and site conditions.

What will this mean for you?

There may be temporary impacts to vehicle and pedestrian access while the work is carried out.

Please ensure **vehicles are parked off-street prior to the commencement of work at 7pm each night** for the **three-night duration of the works**.

There will be some temporary traffic changes to ensure the work zone is safe.

The **road will remain open with single lane closures and a 40km/h speed limit** in place during work hours which may affect travel times.

The speed limit will return to the posted speed limit outside of work hours.

Motorists should allow up to **five minutes** extra travel time.

There may also be **local road detours in place for White Street and Mary MacKillop Avenue** during these work hours. Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can download the Live Traffic NSW app, visit [livetraffic.com](https://www.livetraffic.com) or call 132 701.

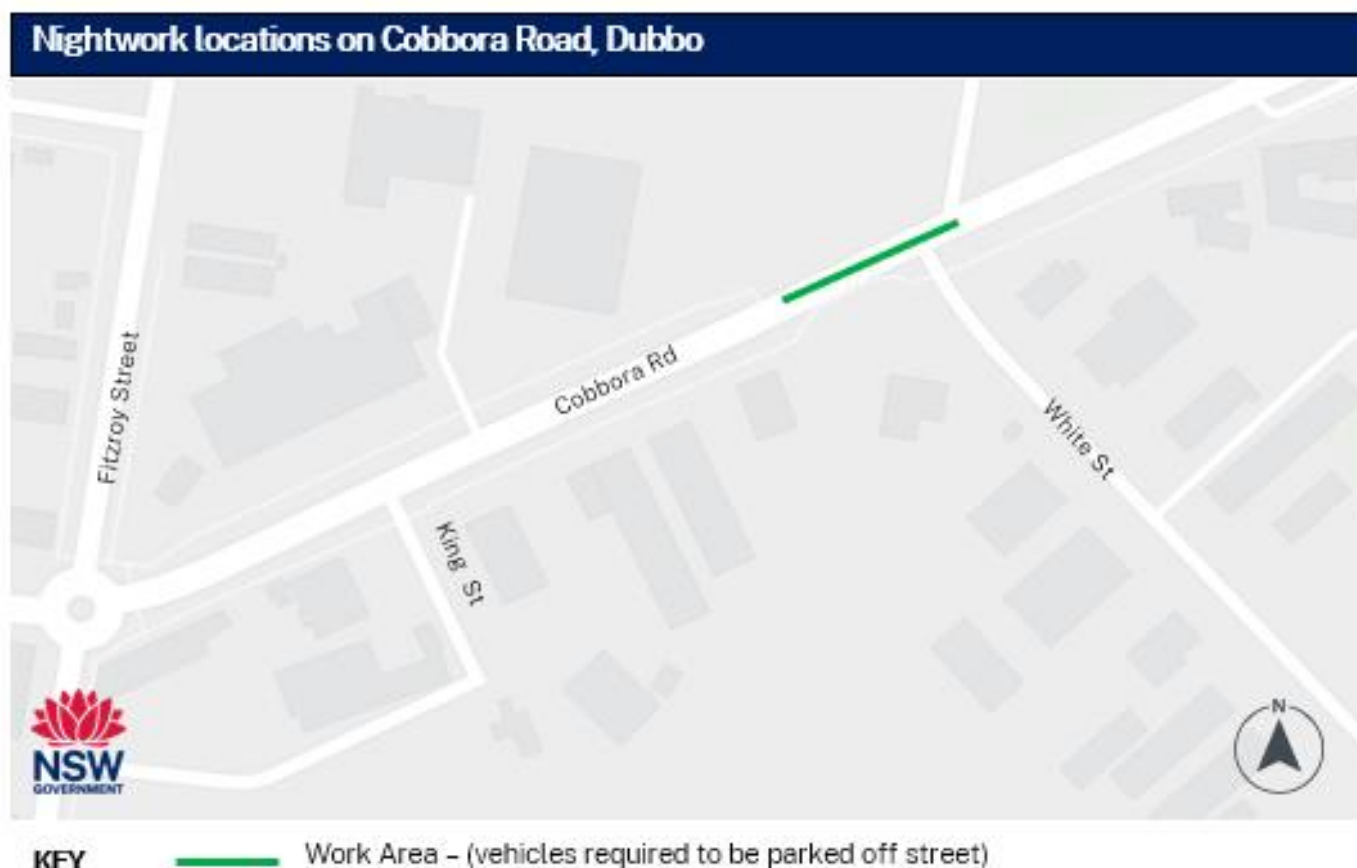

Managing our impacts

We aim to manage our work to minimise impacts to the community and the environment.

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by completing louder activities earlier in the evening and turning off machinery and vehicles when not in use.

We understand that the work will generate some inconvenience and we thank you for your patience.
