

# Pavement rehabilitation and widening on the Golden Highway, east of Dunedoo from Monday 4 November

November 2024

Transport for NSW acknowledges the Wiradjuri people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government is investing \$8 million in pavement rehabilitation and widening work on the Golden Highway, three kilometres east of Dunedoo.

## What work are we doing?

From **Monday 4 November**, we'll begin removing and replacing a 2.2-kilometre section of road pavement and widening the road shoulders. As part of this work, we'll also be replacing a number of culverts.

A map is included to show the location.

## When we'll be working

Work will take place from **Monday to Saturday** between **7am and 6pm starting Monday 4 November**.

We expect to complete the work by **mid 2025**, weather permitting.

## What will this mean for you?

To ensure safety, there will be temporary traffic changes, including intermittent single lane closures and a reduced speed limit of 60 km/h, which may affect travel times. However, access to private properties will be maintained at all times.

Please follow the direction of road signs and traffic controllers.

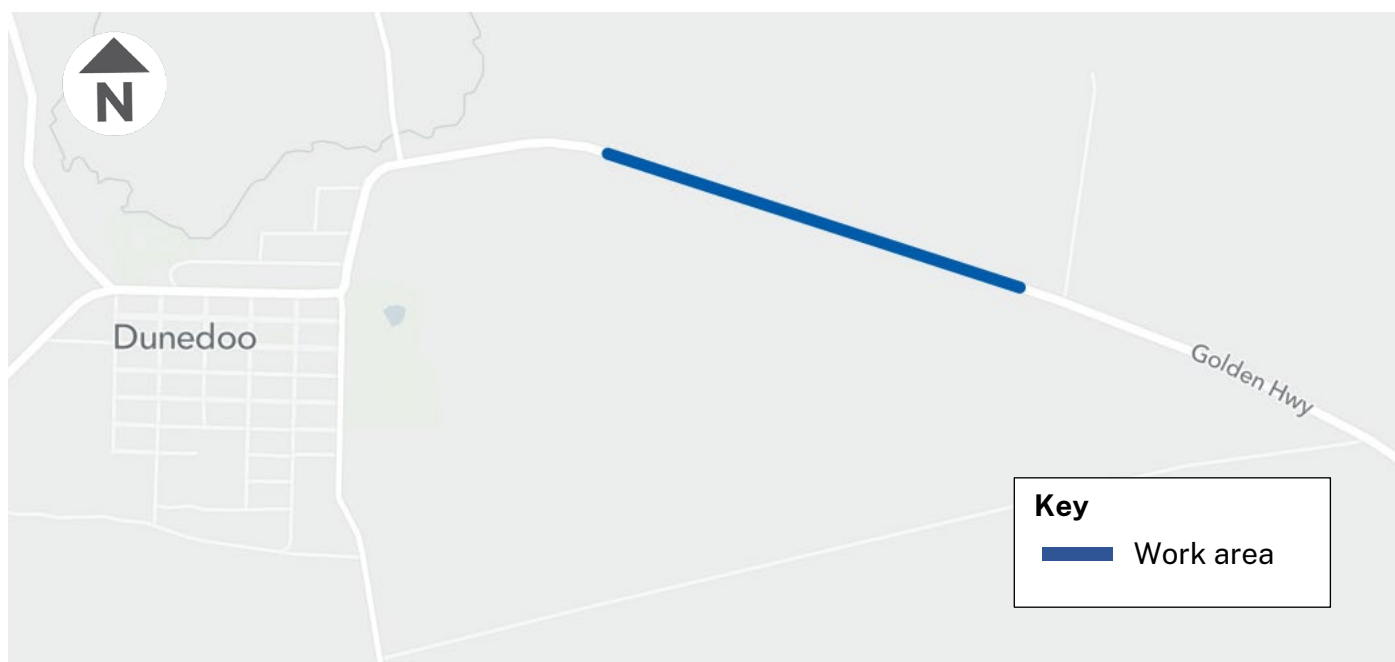

## Managing our impacts

We understand these traffic changes may be inconvenient and we thank you for your patience while we complete these essential works.

The project involves the use of machinery, which may generate some noise. To minimise disruption, we'll turn off machinery and vehicles when not in use.

If you have any concerns about this work, please contact us on 1800 167 499.
