## **Patrick Terminals – Notice of Intention to change Landside & Ancillary Charges: Effective from 7 March 2022**

Patrick has completed a review of its Landside charge and other Ancillary Charges. The Landside charge partially recovers costs associated with providing Patrick's landside operations and is essential to enable Patrick to continue to provide our customers with superior and efficient landside service levels.

Patrick is currently embarking on a significant investment program with over \$150 million invested across the 2020 and 2021 financial years and a further \$70 million committed across the 2022 financial year (\$220 million in total), which will support continued efficient landside service levels.

The Landside charge recovers a portion of the costs that relate to:

- capital investments and commitments made to infrastructure that supports our landside operations
- maintenance and operational costs associated with providing our landside operations and
- property and property related costs

Effective from 7 March 2022, the following Landside charges are intended to apply on full containers that enter and leave Patrick's terminals. Patrick will continue to provide a concessional rate for export containers, recognising the continuing challenges faced by Australian exporters.

### Import Containers

- Sydney \$141.45 per full container
- Fisherman Islands \$135.85 per full container
- East Swanson Dock \$155.40 per full container
- Fremantle \$57.69 per full container

### Export Containers

- Sydney \$101.90 per full container
- Fisherman Islands \$101.90 per full container
- East Swanson Dock \$101.90 per full container
- Fremantle \$28.84 per full container

The Landside charge will be applied to both road and rail transport operators for all full container movements, both import and export, made at the Terminals.

In addition, Patrick has adjusted its other Ancillary Charges. The intended Landside and Ancillary charges have been published on Patrick's website ([www.patrick.com.au](http://www.patrick.com.au)).

Should you have feedback on the intended changes to the Landside and Ancillary Charges this can be provided to [Landside22@patrick.com.au](mailto:Landside22@patrick.com.au). Feedback will be received up to 27 January 2022 and a final notice published on Patrick's website on 4 February 2022.

Yours sincerely,

**Michael Jovicic**  
Chief Executive Officer  
Patrick Terminals
