

# NSW Road Safety Program - Round 1 Approved Projects

Road safety treatments to reduce fatal and serious injuries

Project ID	Regional / urban / rural / footpath	Name of project / road corridor	Local Government Area (LGA)	Treatments to be applied	Total cost
2023-25-NSW-001	Footpaths / cycleway	Hume Highway and DeMeyrick Avenue, Casula - missing pedestrian link plus pedestrian fencing	Liverpool	Pedestrian / Cyclist treatments	\$634,920
2023-25-NSW-002	Footpaths / Cycleway	Castlereagh Road between Hereford Street and John Tebbutt Place, Richmond – proposed pedestrian refuge	Hawkesbury	Pedestrian / Cyclist treatments	\$133,200
2023-25-NSW-003	Urban	Old Northern Road and Cross Street, Baulkham Hills - construction of new traffic control signals	The Hills	Electronic traffic controls / management	\$5,350,304
2023-25-NSW-004	Urban	Delhi Road, west of Riverside Crescent, Chatswood West - high friction asphalt	Ryde	Surface treatments	\$1,098,900
2023-25-NSW-005	Footpaths / Cycleway	Garfield Road East, Riverstone – Pedestrian Refuge	Blacktown	Pedestrian / Cyclist treatments	\$610,500

Project ID	Regional / urban / rural / footpath	Name of project / road corridor	Local Government Area (LGA)	Treatments to be applied	Total cost
2023-25-NSW-006	Footpaths / Cycleway	Concord Road at Mary Street E, Rhodes - installation of pedestrian protection, upgrade of lanterns	Canada Bay	Electronic traffic controls / management	\$799,200
2023-25-NSW-007	Footpaths / Cycleway	Pennant Street and Castle Street, Castle Hill - install LTRA/RTRA and mast arm upgrade	The Hills	Electronic traffic controls / management	\$428,496
2023-25-NSW-008	Urban	Princes Highway, Sylvania - install redirective kerb and pedestrian fence	Sutherland	Multiple treatments	\$344,100
2023-25-NSW-009	Footpaths / Cycleway	Richmond Rd and Oralle Ave, Blacktown - pedestrian fencing	Blacktown	Surface treatments	\$444,000
2023-25-NSW-010	Urban	Pacific Highway between Stanhope Road and Treatts Road, Lindfield - Resurfacing high-friction treatment	Ku-ring-gai	Surface treatments	\$1,221,000
2023-25-NSW-011	Footpaths / Cycleway	Carlisle Ave near Hythe Street and Tulloona Street, Mount Druitt - two pedestrian crossing facilities	Blacktown	Pedestrian / Cyclist treatments	\$666,000
2023-25-NSW-012	Urban	Pitt Town Road at Pitt Town Bottoms Road - intersection upgrade (MIST)	Hawkesbury	Static traffic controls and signage	\$473,970
2023-25-NSW-013	Urban	Alfords Point Road - median safety barrier	Sutherland	Barriers	\$11,100,000

Project ID	Regional / urban / rural / footpath	Name of project / road corridor	Local Government Area (LGA)	Treatments to be applied	Total cost
2023-25-NSW-014	Footpaths / Cycleway	Salter Street at Victoria Road, Gladesville - pedestrian refuge	Hunters Hill	Pedestrian / Cyclist treatments	\$113,220
2023-25-NSW-015	Urban	Bryant Street and Fairford Road, Padstow - median island restriction right turns	Canterbury Bankstown	Static traffic controls and signage	\$666,000
2023-25-NSW-016	Footpaths / Cycleway	Rutledge Street at Shaftsbury Road, Eastwood - install left and right turn pedestrian protection	Ryde	Electronic traffic controls / management	\$222,000
2023-25-NSW-017	Footpaths / Cycleway	Hamilton Road and Barbara Street, Fairfield - pedestrian protection, additional lanterns and new arm request	Fairfield	Electronic traffic controls / management	\$566,100
2023-25-NSW-018	Footpaths / Cycleway	Menangle Rd at Macarthur Station, Campbelltown - pedestrian fencing and bicycle line marking works	Campbelltown	Pedestrian / Cyclist treatments	\$115,440
2023-25-NSW-019	Footpaths / Cycleway	Concord Rd and Correys Ave - Strathfield North Public School TCS upgrade to improve pedestrian safety	Canada Bay	Electronic traffic controls / management	\$1,443,000
2023-25-NSW-020	Urban	Marlborough Road and Austin Avenue, Homebush - extension of concrete median islands at the intersection	Strathfield	Static traffic controls and signage	\$238,650
2023-25-NSW-021	Urban	Marlborough Road and Parramatta Road, Homebush West - modifications to traffic control signals	Strathfield	Electronic traffic controls / management	\$589,410
2023-25-NSW-022	Footpaths / Cycleway	Cumberland Highway at Dunmore Street, Wentworthville - install pedestrian protection and 'prepare to	Cumberland	Electronic traffic controls / management	\$722,702

Project ID	Regional / urban / rural / footpath	Name of project / road corridor	Local Government Area (LGA)	Treatments to be applied	Total cost
		stop traffic signals with flashing lanterns' sign (W3-204n)			
2023-25-NSW-023	Footpaths / Cycleway	Parker Street & Stafford Street, Penrith - concrete island / turn restrictions	Penrith	Static traffic controls and signage	\$335,220
2023-25-NSW-024	Footpaths / Cycleway	Parramatta Road at George Street, Homebush - Elsholtz and pedestrian fencing installation	Strathfield	Pedestrian / Cyclist treatments	\$523,920
2023-25-NSW-025	Urban	Princes Highway between Young Street and Sylvan Street, Sylvania - install redirective kerb or central barrier, and high friction seal	Sutherland	Multiple treatments	\$721,500
2023-25-NSW-026	Urban	Sir Bertram Stevens Drive, Royal National Park- curve improvements	Sutherland	Multiple treatments	\$2,497,500
2023-25-NSW-027	Urban	Mulgoa Road west of Gibbs Street, Mulgoa - safety barrier	Penrith	Multiple treatments	\$414,030
2023-25-NSW-028	Urban	Great Western Highway & Charles Hackett Drive, St Marys – dedicated right turn phase	Penrith	Electronic traffic controls / management	\$555,000
2023-25-NSW-029	Footpaths / Cycleway	Joseph Banks Drive and Seven Hills Road, Seven Hills - pedestrian fencing, upgrade, kerb ramps and footpath works	Blacktown	Pedestrian / Cyclist treatments	\$388,500

Project ID	Regional / urban / rural / footpath	Name of project / road corridor	Local Government Area (LGA)	Treatments to be applied	Total cost
2023-25-NSW-030	Urban	Old Hume Highway and Armour Avenue, Camden South - right turn restriction, closing intersection with median	Camden	Static traffic controls and signage	\$843,600
2023-25-NSW-031	Footpaths / Cycleway	City West Link and James Street, Lilyfield - upgrade traffic signals, introduce pedestrian protection	Inner West	Electronic traffic controls / management	\$338,352
2023-25-NSW-032	Footpaths / Cycleway	City West Link and Norton Street, Lilyfield - upgrade traffic signals, introduce protected pedestrian phase	Inner West	Electronic traffic controls / management	\$95,339
2023-25-NSW-033	Urban	Bay Street at The Grand Parade, Brighton-Le-Sands - extension of existing median island, installation of raised thresholds and build out of kerb	Bayside	Pedestrian / Cyclist treatments	\$378,716
2023-25-NSW-034	Urban	Epping Rd at Culloden Rd, Marsfield - EB right turn ban with median extension	Ryde	Static traffic controls and signage	\$416,250
2023-25-NSW-035	Footpaths / Cycleway	Babbage Road and Allan Street, Roseville Chase - removal of mid-block TCS, installation of pedestrian fencing	Ku-ring-gai	Pedestrian / Cyclist treatments	\$309,718
2023-25-NSW-036	Footpaths / Cycleway	Gardeners Road, Maloney Street and Dalmeny Avenue, Rosebery - installation of pedestrian crossings at traffic control signals	Bayside	Electronic traffic controls / management	\$640,257
2023-25-NSW-037	Footpaths / Cycleway	Pacific Highway between Miller Street and William Street, North Sydney - pedestrian fencing installation	North Sydney	Pedestrian / Cyclist treatments	\$118,436

Project ID	Regional / urban / rural / footpath	Name of project / road corridor	Local Government Area (LGA)	Treatments to be applied	Total cost
2023-25-NSW-038	Urban	Military Road, Neutral Bay - high friction surface resheet	North Sydney	Surface treatments	\$205,206
2023-25-NSW-039	Urban	Princes Highway between Yeran Street and Ellis Street, Sylvania - high friction asphalt resurfacing	Sutherland	Surface Treatments	\$455,100
2023-25-NSW-040	Footpaths/Cycleway	The Horsley Drive at Nelson Street, Fairfield - installation of pedestrian fencing	Fairfield	Pedestrian / Cyclist treatments	\$277,500
2023-25-NSW-041	Urban	Cahill Expressway near Conservatorium Road, Sydney - install new curve and advisory speed signs, chevron alignment markers	Sydney	Static traffic controls and signage	\$166,500
2023-25-NSW-042	Footpaths / Cycleway	Coronation Parade & Dean Street, Croydon Park - install missing pedestrian leg and provide green- arrow protection	Strathfield	Electronic traffic controls / management	\$788,100
2023-25-NSW-043	Urban	Hawkesbury Valley Way and Macquarie St, Windsor - right turn bay and acceleration lane	Hawkesbury	Other	\$196,470
2023-25-NSW-044	Footpaths / Cycleway	Marlborough Road at Austin Avenue, Homebush West - install kerb extension and modifications to existing island for pedestrian safety improvements	Strathfield	Pedestrian / Cyclist treatments	\$360,750
2023-25-NSW-045	Footpaths / Cycleway	Coronation Parade at Plymouth Street, Enfield - upgrade midblock pedestrian signals	Strathfield	Pedestrian / Cyclist treatments	\$688,200

Project ID	Regional / urban / rural / footpath	Name of project / road corridor	Local Government Area (LGA)	Treatments to be applied	Total cost
2023-25-NSW-046	Urban	Pennant Hills Road near M1 Pacific Motorway, Wahroonga - milling and high friction resurfacing	Hornsby	Surface treatments	\$58,117
2023-25-NSW-047	Urban	South Liverpool Road & Liverpool Parramatta T-way & Banks Road and Rundle Road, Green Valley - fully controlled right turn phase with pedestrian protection	Liverpool	Electronic traffic controls / management	\$1,072,260
2023-25-NSW-048	Urban	Bridge Road and George Street, Hornsby- milling and high friction resurfacing and guardrail installation	Hornsby	Multiple treatments	\$236,781
2023-25-NSW-049	Footpaths / Cycleway	Mass Action Program - statewide Pedestrian Protection Program		Pedestrian / Cyclist treatments	\$40,000,000
