

# Road work on Old Northern Road, Middle Dural to Maroota from Wednesday 17 April 2024

## Community Notification

April 2024

Transport for NSW acknowledges the Dharug and Guringai people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW will carry out essential maintenance work on Old Northern Road between Wednesday 17 April and Friday 28 June 2024.

### What work are we doing?

The work will involve replacing sections of asphalt and repainting road markings on Old Northern Road, in both directions, at the following locations:

- Old Northern Road between Mid Dural Road and Edwards Road, Middle Dural
- Old Northern Road between Wylids Road and Munros Lane, Arcadia
- Old Northern Road between Schwebel Lane and 2852 Old Northern Road, Glenorie
- Old Northern Road between 3900 Old Northern Road and Wisemans Ferry Road, Maroota.

For further information on the work locations please refer to the map overleaf.

### When will we be working?

Work will be carried out at night between **Wednesday 17 April** and **Friday 28 June 2024**, weather permitting. The duration of asphaltting work is as below:

Old Northern Road work locations	Duration of asphaltting
Between Mid Dural Road and Edwards Road, Middle Dural	6 nights
Between Wylids Road and Munros Lane, Arcadia	9 nights
Between Schwebel Lane and 2852 Old Northern Road, Glenorie	13 nights
Between 3900 Old Northern Road and Wisemans Ferry Road, Maroota	22 nights

Further to the asphaltting work, there will be an additional **three night shifts** of line marking at each location.

We will work from **Sunday to Thursday** between the hours of **8pm** and **5am**. We will not work on Friday nights, Saturdays or public holidays.

### What will this mean for you and how will we manage it?

Our work needs to be carried out at night to limit disruption to traffic and reduce safety risks to our workers, pedestrians and motorists.

The work may be noisy at times, but we will do everything we can to minimise our impacts, including:

- working at two locations at the same time to reduce the length of the program
- resurfacing progressively along the road to avoid impacting the same area each night.

Residents are not expected to hear the line marking work.

### Traffic changes and detours

As part of this work, we will need to close Old Northern Road between Wisemans Ferry Road, Maroota and Galston Road, Dural.

#### Northbound traffic will need to detour via:

- Pennant Street, Showground Road, Windsor Road, Pitt Town Road, Cattai Road and Wisemans Ferry Road.

#### Southbound traffic will need to detour via:

- Wisemans Ferry Road, Cattai Road, Pitt Town Road, Windsor Road, Showground Road and Pennant Street.

Please allow up to one hour of additional travel time when planning your trip.

Please note that some **restricted access heavy vehicles will not be permitted to use Showground Road** in the detours outlined above. The list of these restricted access heavy vehicles and alternate detour routes can be found on the project webpage.

### Access to properties on Old Northern Road

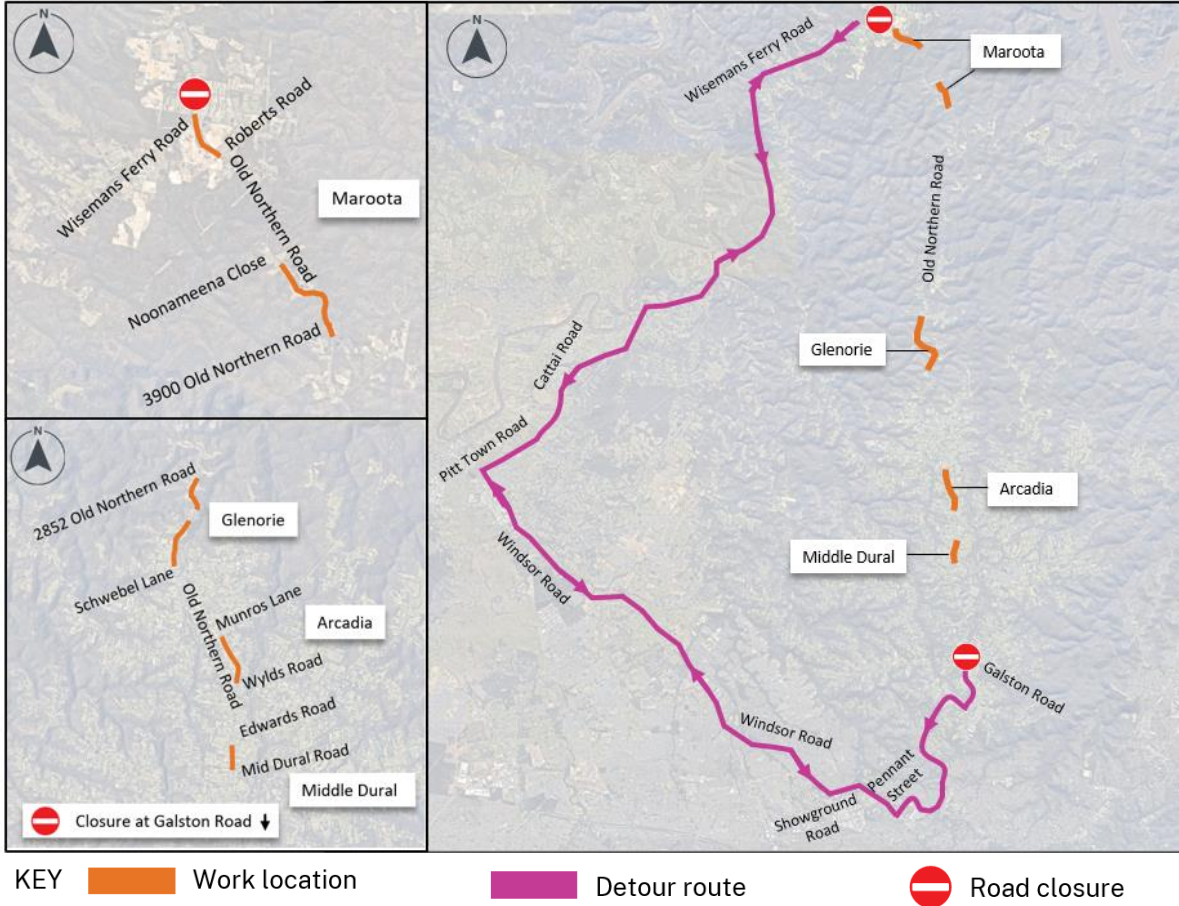

Access to properties on Old Northern Road between Wisemans Ferry Road and Galston Road will be maintained under the direction of traffic controllers.

Residents will experience delays while we arrange safe travel through the work area.

Notification of all road closures will be displayed on Variable Message Signage boards at least five days before any traffic changes come into effect. Please keep to speed limits and follow the direction of traffic controllers and signs.

Transport for NSW thanks the community for their patience while we complete this essential work.
