

# Road work on Old Northern Road, between Dural and Forest Glen from Tuesday 6 February 2024

## Community Notification

January 2024

Transport for NSW acknowledges the Dharug people of the Dharug Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW will carry out essential maintenance on Old Northern Road between Dural and Forest Glen between Tuesday 6 February and Friday 15 March 2024.

### What work are we doing?

The work will involve replacing sections of asphalt and repainting road markings at the following locations along Old Northern Road:

- Northbound and southbound lanes between 889 Old Northern Road and Vineys Road, Dural
- Northbound and southbound lanes between Bangor Road and Mid Dural Road, Middle Dural
- Southbound lanes between East Street and 3163 Old Northern Road, Forest Glen.

Further information on the project locations is shown on the map overleaf.

### When will we be working?

We will be on site between **Tuesday 6 February to Friday 15 March 2024**, weather permitting.

The work will include **six night shifts** of asphaltting at the Dural location, **five night shifts** of asphaltting at the Middle Dural location and **two night shifts** of asphaltting at the Forest Glen location.

There will be an additional **two night shifts** of line marking at each location.

We will work up to five nights a week from **Sunday to Thursday**, between **8pm** and **5am** the next day. We will not work on Friday or Saturday nights.

### What will this mean for you and how will we manage it?

Our work needs to be carried out at night to limit disruption to traffic and reduce safety risks to our workers, pedestrians, and motorists.

It may be noisy at times, but we will do everything we can to minimise our impacts, including:

- turning off equipment and vehicles when they are not in use
- using quieter equipment where possible.

### Traffic changes

There will be temporary traffic changes to make sure the work zone is safe. As part of these traffic changes we will implement lane closures, stop slow traffic control and a reduced speed limit.

Please keep to speed limits and follow the direction of traffic controllers and signs.

### Driveway impacts

When we are resurfacing alongside driveways, residents may have to wait up to 30 minutes before entering or exiting their driveway while the asphalt cools. Traffic control will be on site to assist residents.

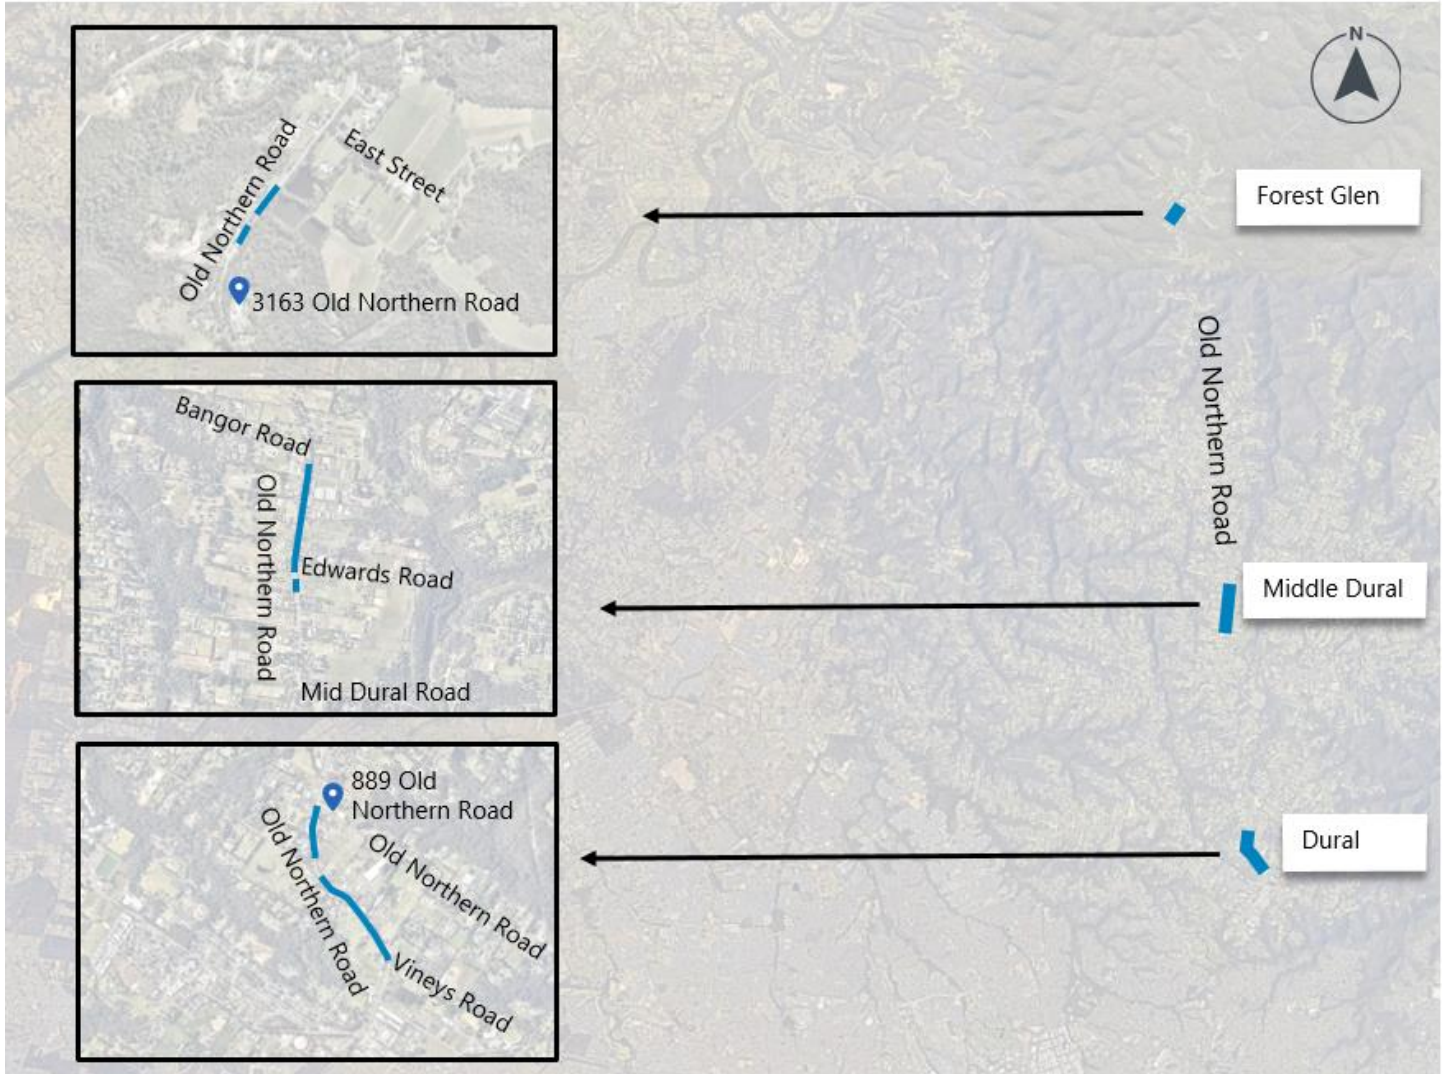

### Future work happening nearby

Transport for NSW will return to complete further resurfacing work nearby on Old Northern Road between February and June 2024.

To safely carry out this work, road closures and detours will be in place during the night. Sign up via the details overleaf to receive email updates about this work.
