

Road work on Old Northern Road, Wisemans Ferry from Tuesday 9 January

Community Notification

January 2024

Transport for NSW acknowledges Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW will carry out essential maintenance work on Old Northern Road, Wisemans Ferry between Tuesday 9 January and Friday 23 February 2024.

What work are we doing?

Work will involve:

- replacing sections of asphalt and repainting road markings on the northbound and southbound lanes of Old Northern Road from River Road to Wisemans Ferry Tennis Courts entrance, Wisemans Ferry
- stabilising the rock embankment to help prevent future erosion at two locations between 5400 Old Northern Road and River Road, Wisemans Ferry. As part of the stabilisation process, we will need to carry out minor vegetation maintenance and remove one tree.

When will we be working?

Our work schedule is as follows:

- **six night shifts** of rock stabilisation work
 - **three night shifts** of asphaltting and
 - **two night shifts** of line marking
- between **Tuesday 9 January 2024** and **Friday 23 February 2024**, weather permitting.

We will work from **Sunday to Thursday** between the hours of **8pm and 5am**.

We will not work on Friday or Saturday nights or on public holidays.

What will this mean for you and how will we manage it?

Our work needs to be carried out at night to limit disruption to traffic and reduce safety risks to our workers, pedestrians, and motorists.

It may be noisy at times, but we will do everything we can to minimise our impacts, including:

- turning off equipment and vehicles when they are not in use
- using quieter equipment where possible.

The noisiest part of our work will be drilling on the rock walls; however, this will be completed within a maximum of three night shifts at each of the two locations.

Stockpile sites

Stockpile sites will be established on Old Northern Road and River Road to provide our workers with a location to store equipment. We will only access these areas between 8pm and 5am. The area will be restored upon completion of the work. Please refer to the map overleaf for more information.

Traffic changes

There will be temporary traffic changes to make sure the work zone is safe.

Lane closures, stop slow traffic control and a reduced speed limit of 30km/h will be in place and may affect travel times.

Please keep to speed limits and follow the direction of traffic controllers and signs.
