

Changed traffic conditions for nightwork in Parkes Monday 8 April

Newell Highway upgrade, Parkes Bypass

April 2024

Transport for NSW acknowledges the Wiradjuri people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Parkes Bypass will improve connectivity, road transport efficiency and safety for local and interstate motorists.

What work are we doing?

Line marking the newly constructed Hartigan Avenue extension, the new Link Road, and a section of Brolgan Road.

When and where we'll be working

Line marking will take place on the new Hartigan Avenue extension, the new Link Road, and Brolgan Road, between Link Road and Hartigan Avenue extension, as well as all associated intersections.

To minimise disruption and for the safety of our workers, the work will take place at night.

The work will be carried out on **Monday 8 April** between **6pm** and **7am**, weather permitting.

We have included a map over the page to show the location of the work.

What will this mean for you?

You may notice workers, vehicles, traffic controllers, signage in place.

Lane closures, intermittent stopping and a reduced speed limit of 40km/h will be in place during work hours.

Managing our Impacts

We aim to manage our work to avoid impacts to the community and the environment. This includes:

- Carrying out the work at night to minimise impact to the community.
- Arranging the work in stages at different locations.
- Turning off machinery and vehicles when not in use.

We thank you for your patience while this important work is carried out.
