

Waterfall Stabling Yard and Platform Extension project

More Trains, More Services

Specific notification March - April 2024

Transport for NSW acknowledges the Dharawal people of the Dharawal Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The More Trains, More Services program is delivering platform extensions and rail asset upgrades between Sydney's CBD and the South Coast.

Upcoming work

In the coming weeks, we will be completing major construction work at Waterfall Station and on the Princes Highway, involving traffic changes, lane closures, work outside of standard construction hours, parking restrictions and motorist detours.

Standard construction hours

Standard construction hours are **7am to 6pm Monday to Friday and 8am to 1pm on Saturdays.**

Weekend and night work

In March and April, some work has been scheduled to take place outside of standard construction hours to minimise disruptions to commuter services and improve the safety of our team and customers.

This work will take place between:

- **6pm Tuesday 26 March and 6am Wednesday 27 March**
- **6pm Thursday 28 March and 7am Tuesday 2 April (the March/April long weekend)**
- **6pm Tuesday 2 April and 6am Wednesday 3 April**

As the activities scheduled on Tuesday nights are weather dependant, we may be required to re-

schedule these activities for completion on **Wednesday 27 March and Thursday 28 March.**

Traffic changes and on-street parking restrictions

From **8pm Saturday 30 March until 9am Sunday 31 March**, the southbound lanes of the Princes Highway will be closed and all traffic will be switched to the northbound carriageway which will operate as a two-lane, two-way configuration over a length of 1.6 kilometres.

The southbound off-ramp will also be closed, and detours will be in place off Yanagang Street to maintain residential access.

The speed limit will be lowered to 40 kilometres an hour across the 1.6 kilometre stretch of changed traffic conditions.

If this work is unable to be completed on the Saturday night, the work will be rescheduled to the following night, with traffic lanes re-opening **9am Monday 1 April.**

Temporary lane closures will also be required for short periods of time on **Tuesday 26 March and Tuesday 2 April** to enable the safe removal and re-installation of light pole aerials across the Princes Highway.

Parking restrictions on the Princes Highway and local streets will be in place from **8pm Thursday 28 March until 10 Saturday 30 March.**

Traffic control and signage will be in place to assist motorists with temporary lane closures, speed reductions, detours and residential access.

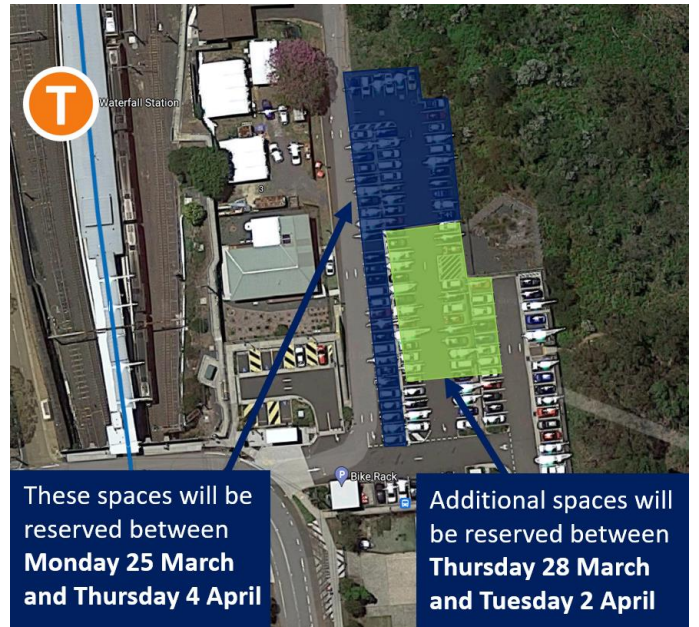

Temporary changes to commuter car parking

To support construction activities at Waterfall, we require use of approximately **53 commuter car spaces** from **5pm Monday 25 March until 5pm Thursday 4 April 2024**.

We will also require an **additional 29 car spaces** from **5pm Thursday 28 March until 5am Tuesday 2 April 2024**.

These spaces will be reserved for a temporary site set-up and staff parking, enabling scheduled construction activities to be completed safe and efficiently.
