

# Sydney Terminal Building Revitalisation Project – Stage 1

Upcoming site establishment work

June 2025

Transport for NSW acknowledges the Bidjigal people of the Eora Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

From **Monday 16 June 2025**, we'll start to set up the site and install fencing around Eddy Avenue Plaza to secure our construction area (see map overleaf).

## What will this mean for you?

- Temporary partial closure of Eddy Avenue Plaza in front of the entrance to Central Station
- Pedestrian access from Eddy Avenue into Central Station will remain open via the covered walkway on the western side of the Plaza

## Out of hours work

We need to do some of this work at night when the light rail is not in operation. We'll work from **Monday 16 to Thursday 19 June, between 7pm to 6am.**

This work is generally not noisy and includes:

- Trucks delivering equipment and materials to the Eddy Avenue site
- Installation of plywood fencing

## Location of work area

## Key

-  Temporary closure area of Eddy Avenue Plaza surrounded by plywood fencing.
-  Pedestrian access to and from Central Station via undercover walkway.
