

# Banksia to Arncliffe track maintenance

From Saturday 16 August to Monday 18 August 2025

## What we are doing

To improve service reliability, Sydney Trains will complete maintenance works between Banksia and Arncliffe from Saturday 16 August to Monday 18 August.

Work activities include track reconditioning at Banksia and track resurfacing, tamping, and rail grinding activities.

We understand this work may have an impact on you and we appreciate your patience and understanding.

## How this affects you

### Noise

- These works may create additional noise at night.
- **Work will take place from 2am Saturday 16 August to 2am Monday 18 August.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

### Traffic and parking

- **Parking on both sides of Roach Street will be temporarily unavailable from 7am Friday 15 August to 2am Monday 18 August.**
- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
