

# Essential bridge repairs on Castlereagh Highway, north of Mudgee

August 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is carrying out essential bridge repairs over Macdonalds Creek on the Castlereagh Highway from Monday 18 August.

## What work are we doing?

We will be replacing the damaged traffic railing on the bridge to restore its full function and safety.

A map has been included to show the location of the work area.

## When and where we'll be working

We are working on the bridge over Macdonalds Creek along the Castlereagh Highway at Cullenbone, approximately 12 kilometres north of Mudgee.

We will be working Monday to Friday between 7am and 6pm and from 7am to 2pm on Saturdays from **Monday 18 August 2025**.

We expect to complete the work in approximately three weeks.

**All work activities and dates are subject to weather and site conditions.**

We will let you know in advance if we need to do any work outside these times.

## What will this mean for you?

To ensure safety in the work zone, temporary traffic changes will be in place:

- Single lane closures
- Intermittent stopping
- Reduced speed limit of 40km/h during work hours

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.
