

Central to Museum track maintenance

From Thursday 16 October to Monday 20 October 2025

What we are doing

To improve service reliability, Sydney Trains will complete maintenance works between Central Station and Museum Station from Thursday 16 October to Monday 20 October.

Work activities include track reconditioning at Museum Station, track resurfacing, tamping, and rail grinding activities.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night.
- Work will take place from 2am Thursday 16 October to 2am Monday 20 October.
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

 The kerbside lane on Elizabeth Street will be closed from 7am Thursday 16 October to 7pm Monday 20 October at the following locations:

Northbound closures:

- between Goulburn Street and Clarke Street
- between Campbell Street and Goulburn Street
- between Hay Street and Campbell Street.

Southbound closure:

- between Goulburn Street and Foy Lane.
- We will park our vehicles inside the rail corridor where possible, however please be aware that some on-street parking on the eastern side of Castlereagh Street between Goulburn Street and Campbell Street will be temporarily unavailable from 7am Thursday 16 October to 7pm Monday 20 October.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.
- Please allow for extra travel time and follow traffic controllers and signage in place.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
