

Central to North Sydney track maintenance

From Monday 14 July to Friday 15 August 2025

What we are doing

To improve service reliability, Sydney Trains will complete maintenance works between Central and North Sydney from Monday 14 July to Friday 15 August.

Work activities include:

- Civil track maintenance
- Routine signal and electrical maintenance
- Station maintenance work to improve safety at stations
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Track resurfacing and rail grinding activities
- Vegetation maintenance, litter, and graffiti removal.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night.
- Work will take place nightly during the following periods:
 - 10pm to 4am Monday 14 July to Friday 18 July
 - 1am to 4am Tuesday 22 July to Friday 25 July
 - 1am to 4am Tuesday 29 July to Friday 1 August
 - 1am to 4am Monday 4 August to Wednesday 6 August
 - 10pm to 4am Monday 11 August to Friday 15 August.

- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
