

Cheltenham maintenance work

From Friday 22 August to Friday 26 September 2025

What we are doing

To improve service reliability, Sydney Trains will complete maintenance works at Cheltenham near Sutherland Road, west side of the station, from Friday 22 August to Friday 26 September.

Work activities include:

- Removing vegetation from the cutting embankment
- Drilling anchors into the embankment
- Installation of erosion protection and rock fall mesh.

Please note all the required environmental approvals have been obtained and relevant environmental guidelines will be followed.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place from**
 - **6am Saturday 23 August to 6pm Sunday 24 August**
 - **7am to 5pm on weekdays between Friday 22 August and Friday 26 September.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

- **Heavy vehicles will use Sutherland Road to access the rail corridor. Parking will be limited near access gates.**
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
