

City Underground track maintenance

From Thursday 30 October to Tuesday 4 November 2025

What we are doing

To improve service reliability, Sydney Trains will complete maintenance works within the City Underground from Thursday 30 October to Tuesday 4 November.

Work activities include:

- Rerailing within the City Underground
- Routine civil, signal, and electrical maintenance
- Station maintenance work to improve safety at stations
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Vegetation maintenance, litter and graffiti removal

We understand this work may have an impact on you and we appreciate your patience and understanding.

- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.
- Castlereagh Street will be utilised for Sydney Trains site access.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place from 12pm Thursday 30 October to 4pm Tuesday 4 November.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.

We apologise for any inconvenience and thank you for your cooperation during these essential works.

**Train timetables are
changing from 19 October**
