

Out-of-hours work on 14 and 15 April

Hill Road Upgrade between Parramatta Road and Old Hill Link

April 2025

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is upgrading a section of Hill Road.

We will be working between **6pm and 7am** on **Monday 14 and Tuesday 15 April**, weather permitting, at the location shown on the map overleaf.

What work are we doing?

We will be removing the median on a section of Hill Road.

Our work activities will include excavating and asphaltting the road. We will use an excavator, compactor, trucks, lighting, and light vehicles during this work.

To subscribe to the email distribution list for this project, please contact hillroadcommunity@abergeldie.com

What will this mean for you?

We will carry out our work at night to reduce disruption to traffic and reduce safety risks for our workers, pedestrians and motorists. The machinery used will generate some noise and vibrations.

We aim to minimise the impacts by completing noisier tasks earlier in the evening and ensuring vehicles are turned off when not in use.
