

Hawkesbury River Railway Bridge maintenance

From Monday 25 August 2025

What we are doing

To improve service reliability, Sydney Trains is undertaking maintenance works on Hawkesbury River Railway Bridge from Monday 25 August 2025.

This is a long-term maintenance project that is expected to be completed in 2034.

Work activities include:

- Safe removal of existing lead-based paint and repainting of the bridge structure
- Installation and use of a containment structure for the safe undertaking of the works
- Installation of new walkway to improve access for maintenance crews
- Steel repairs to strengthen the bridge

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise over the weekend and at night. We will make every effort to minimize noise impacts.
- **Works will take place from 7am to 5.30pm Monday to Friday.**
- **Weekend work during track shutdowns will take place from 2am Saturday to 2am Monday. We will notify for these works separately.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.

- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond stated dates.

Traffic and parking

- **We will be utilising the wharf access road off Dangar Road at Hawkesbury River Station for access and egress of machinery, vehicles, and workers to the worksite. This will result in increased volume of traffic on the wharf access road.**
- Traffic control will be in place for large deliveries.
- Heavy vehicles will use local streets to access the rail corridor. Parking may be limited near access gates.

We apologise for any inconvenience and thank you for your cooperation during these essential works.

Speak to the project team

Our team will be in your community for a 'drop-in' community information session about the project:

- **The Cottage (10 Dangar Road, Brooklyn), Tuesday 19 August, 5.30-7.30pm.**

We are here to answer your questions and hear your feedback.
