

Night road closures of M4 Motorway off-ramp and on-ramp at Hill Road, Lidcombe between Monday 27 and Friday 31 October 2025

Hill Road Upgrade

October 2025

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is upgrading Hill Road between Parramatta Road and Bombay Street to the south and Old Hill Link to the north to improve connectivity to Carter Street Precinct, Sydney Olympic Park and surrounding areas.

The program is funded as part of the \$140 million Housing Acceleration Fund (HAF) by Department of Planning, Housing and Infrastructure.

What work are we doing?

We will temporarily close the M4 Motorway eastbound off-ramp and westbound on-ramp at Hill Road for work including:

- utility relocation
- tree removal
- vegetation clearing
- line marking

When will we be working?

We will be on site nightly from 8pm to 5am for up to **five night shifts** between **Monday 27 to Friday 31 October 2025**, weather permitting.

What will this mean for you?

Our work needs to be carried out at night to minimise disruption to traffic and reduce safety risks for our workers, pedestrians and motorists.

You will notice:

- reduced speed limits to 40km/hour

- closure of the M4 Motorway eastbound off-ramp and westbound on-ramp
- lane closures on Hill Road and Parramatta Road
- workers and vehicles on site.

Managing our impacts

It may be noisy at times, but we will do everything we can to minimise our impacts, including turning off equipment and vehicles when not in use and using quieter equipment, where possible.

M4 Motorway access during closures

Detours will be in place to assist drivers while the on-ramp and off-ramps are closed.

Drivers are advised to access Hill Road via the M4 Motorway eastbound exit at Silverwater Road and Parramatta Road.

Access from Hill Road to the M4 Motorway westbound will be via Parramatta Road and Silverwater Road.

These detours will add up to 10 minutes additional travel time. Please plan ahead and follow directions of detour signs and traffic control.

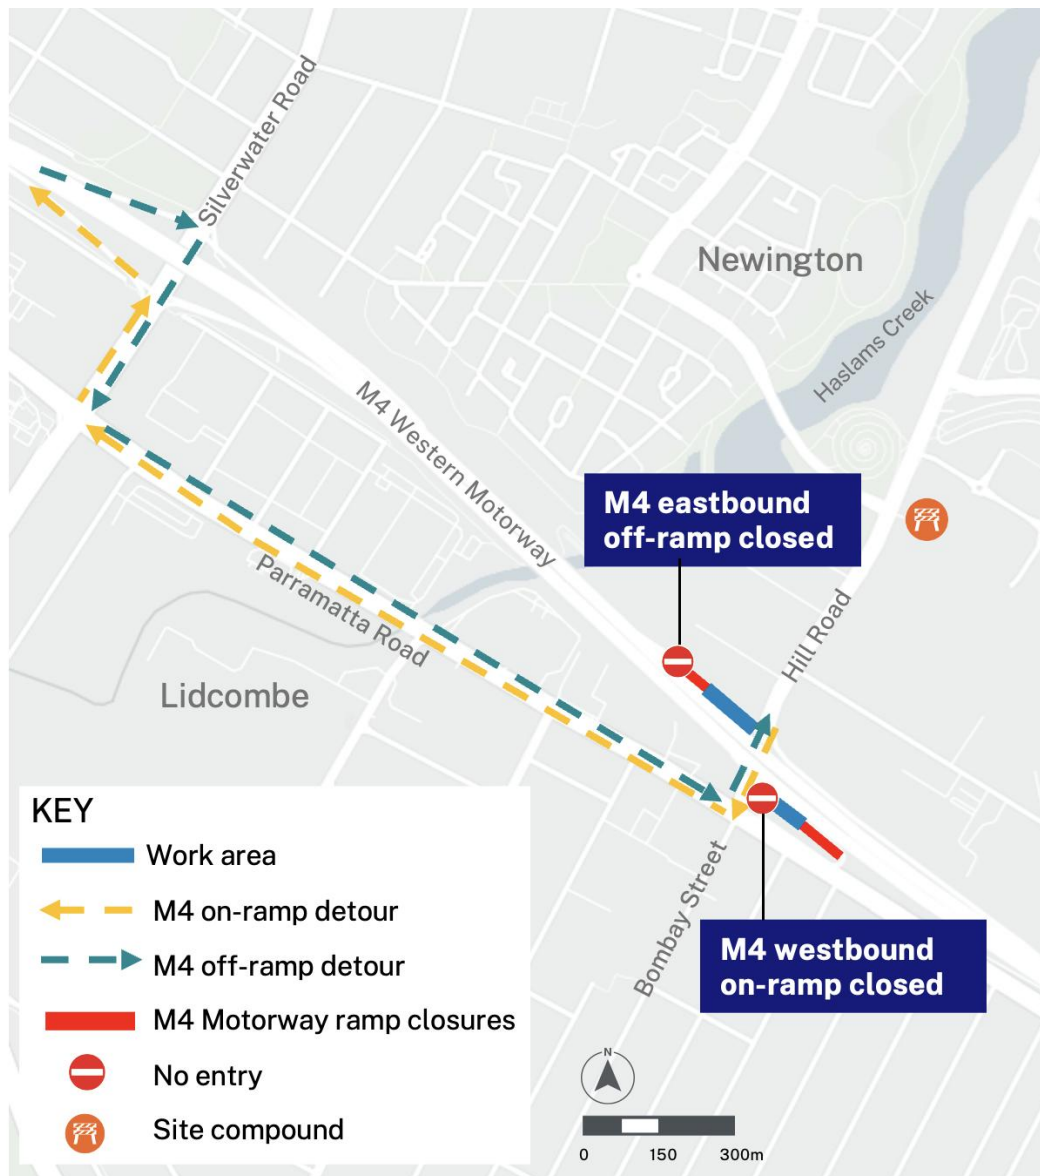

Thank you to the local community, residents and businesses for your patience and understanding while we carry out these essential works.

We acknowledge that road closures, reduced 40km/hour speed limits and night works can be disruptive, and we are working hard to minimise impacts wherever possible.

Your cooperation helps us deliver safer, more efficient roads for the community.
