

# Out-of-hours work on Sunday 23 March

Hill Road Upgrade between Parramatta Road and Old Hill Link

March 2025

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is upgrading a section of Hill Road.

From **8.30pm on Sunday 23 March to 6am on Monday 24 March**, we'll be working at locations shown on the map overleaf to prepare for main construction work.

## What work are we doing?

We will be installing construction signs. Our work will include:

- core drilling
- jackhammering
- concreting poles and attaching signs.

We will use vacuum trucks, concrete trucks, lighting, and light vehicles during this work.

To subscribe to the email distribution list for this project, please contact [hillroadcommunity@abergeldie.com](mailto:hillroadcommunity@abergeldie.com)

## What will this mean for you?

We will complete our work at night to reduce traffic disruption. This will involve some machinery that makes noise and vibration. We will make every effort to lessen the disturbance where practicable, by completing noisier work earlier in the evening and turning off vehicles when not in use.
