

Homebush to Flemington track maintenance

From Saturday 25 October to Sunday 26 October 2025

What we are doing

To improve service reliability, Sydney Trains will complete maintenance works between Homebush and Flemington from Saturday 25 October to Sunday 26 October.

Work activities include ballast cleaning.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place from 4am Saturday 25 October to 11.59pm Sunday 26 October.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.

- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates at Loftus Crescent.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.

**Train timetables are
changing from 19 October**
