

Detour in place for road closures on Jenolan Caves Road near Hampton

Carlos Creek slope repair Jenolan Caves Road

February 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government has repaired significant slope damage on Jenolan Caves Road at Hampton.

To complete the project Transport for NSW will be undertaking essential pavement rehabilitation work.

What work are we doing?

Asphalting which requires the road to be closed.

When and where we'll be working

A full closure of Jenolan Caves Road at Hampton between Old Bindo Road and Duckmaloi Road will be required for the safety of motorists and workers.

Road closures will be between **7am** and **5pm** on the below dates, weather permitting:

- Wednesday 26 February
- Thursday 27 February
- Friday 28 February

What will this mean for you?

A detour will be in place during this work.

We have included a map to show the alternate route.

The detour will be via Oberon, Bathurst and Lithgow using Duckmaloi Road, O'Connell Road

and the Great Western Highway in both directions.

The detour will add approximately 1 hour and 40 minutes additional travel time.

For people travelling to Oberon from the Blue Mountains, this will add approximately 30 minutes travel time.

Traffic control and reduced speed limits will also be in place after work hours and may affect travel times.

Motorists should plan ahead and allow extra travel time during this work.

All road users are advised to follow the directions of signs and traffic control and slow down on approach.
