What we are doing

To improve service reliability, Sydney Trains will complete maintenance works from Lidcombe to Flemington via Olympic Park from Tuesday 23 September to Thursday 25 September.

Work activities include:

- Ballast cleaning at Olympic Park
- Civil track maintenance
- Overhead wiring defect removal
- Rerailing at Olympic Park
- Routine signal and electrical maintenance
- Station maintenance to improve safety
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Turnout removal signal works at Olympic Park
- Vegetation maintenance, litter, and graffiti removal

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place from 12.40am Tuesday 23 September to 2am Thursday 25 September.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.

- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
