

Linden Great Western Highway overbridge improvement work

From Saturday 6 September to Friday 28 November 2025

What we are doing

To improve service reliability, Sydney Trains will complete improvement work at Linden, near Martin Place, on the Great Western Highway overbridge from Saturday 6 September to Friday 28 November.

Work activities include excavation and embankment works, including rock removal and the installation of hoarding.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place from:**
 - **6am Saturday 6 September to 10pm Sunday 7 September**
 - **7am to 5pm on weekdays from Monday 8 September to Friday 28 November.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

- Heavy vehicles will use local streets, including Martin Place to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking, including Martin Place, may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
