

Road closure and night work on Badgerys Creek Road, Badgerys Creek

M12 Motorway – West

June 2025

Australian Government

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Australian and NSW governments are building the M12 Motorway to provide direct access to the Western Sydney International Airport at Badgerys Creek and connect to Sydney's motorway network.

What work are we doing?

Transport for NSW will temporarily close a section of Badgerys Creek Road between Elizabeth Drive and the Pitt Street roundabout.

Our work includes:

- removing and installing temporary concrete barriers
- profiling work (smoothing out the road surface)
- cleaning and sweeping the road
- laying asphalt
- applying temporary line marking at intersections.

Our work schedule

We will close Badgerys Creek Road between Elizabeth Drive and the Pitt Street roundabout for **two nights on Thursday 26 June and Friday 27 June 2025.**

Our work hours will be between **8pm** and **5am**.

What equipment will be used?

Equipment will include lighting towers, paving equipment, light and heavy vehicles, rollers, road profilers and construction and traffic control equipment.

What will this mean for you?

You will see an increase activity in the area.

We will work under a full road closure for the safety of our workers and road users.

Detours will be in place to access Badgerys Creek Road. See the map over the page for more information on road closures and detours.

Please plan your journey, follow signs, adhere to speed limits, and follow the direction of traffic controllers.

Managing our impacts

Some work may be noisy at times; however, we will minimise impacts by:

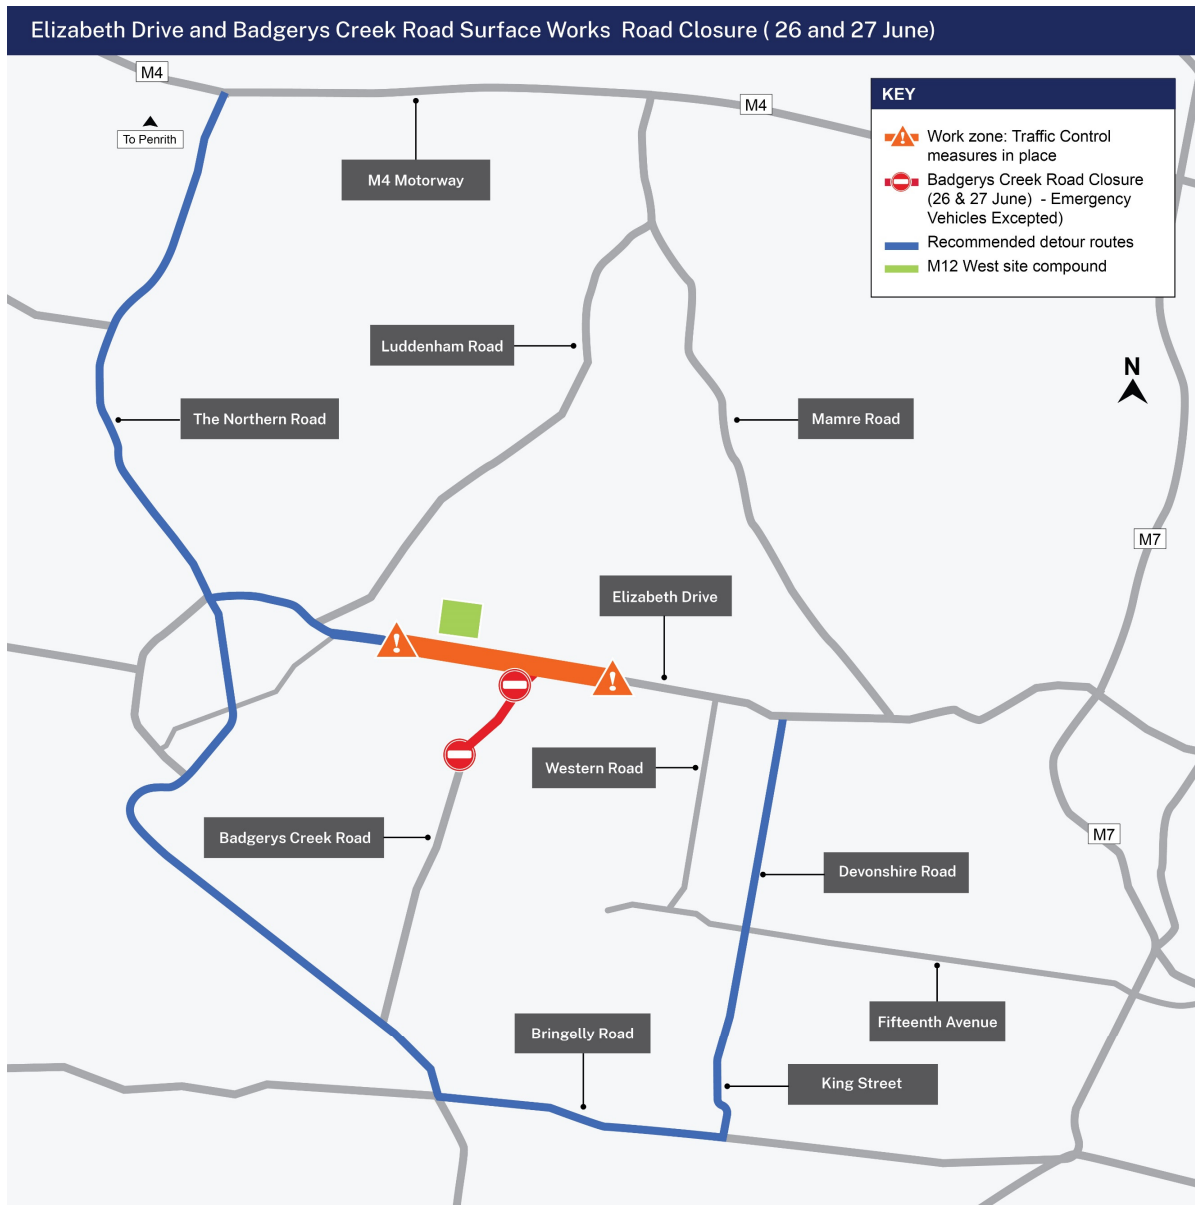

- completing noisier activities earlier in the night where practicable
- turning off equipment and machinery when not in use
- using real-time noise monitoring to track noise levels.
