

Extended night work on Elizabeth Drive and Badgerys Creek Road, Badgerys Creek

M12 Motorway – West

June 2025

Australian Government

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Australian and NSW governments are building the M12 Motorway to provide direct access to the Western Sydney International Airport at Badgerys Creek and connect to Sydney's motorway network.

What work are we doing?

From 16 June, Transport for NSW will work **10 nights** to complete road resurfacing work along Elizabeth Drive and Badgerys Creek Road.

Our work includes:

- removing temporary concrete barriers
- profiling (smoothing out the road surface)
- cleaning and sweeping the road
- laying asphalt
- applying temporary line marking at intersections
- installing barriers to improve road safety until permanent line marking can be completed.

Our work schedule

We will work between **8pm and 5am each night** from **Monday 16 June 2025** to **Saturday 28 June 2025**.

We will also close a section of Badgerys Creek Road between Elizabeth Drive and the Pitt Street roundabout from **8pm Thursday 26 June** to **5am Saturday 28 June 2025**.

What equipment will be used?

Equipment will include lighting towers, paving equipment, light and heavy vehicles, rollers, road profilers and construction and traffic control equipment.

What will this mean for you?

During night work, you may notice an increase in activity in the area.

Temporary traffic changes will be in place along the work zone to maintain the safety of workers and road users. Please follow all signs, adhere to speed limits, and follow the direction of traffic controllers.

Managing our impacts

This work will be noisy at times; however, we will minimise impacts by:

- completing noisier activities earlier in the night where practicable
- turning off equipment and machinery when not in use
- using real-time noise monitoring to track noise levels.

Completing the work over 10 nights will reduce the overall construction timeframe and minimise impacts on the community.

Feedback

We will contact affected residents directly regarding this work. If you have any questions or would like to provide feedback regarding this work, please contact Elise, your Stakeholder and Community Relations Manager from CPBGG JV, on 1800 517 155 or email m12westinfo@cpbggjv.com.au.
