Mariyung Maintenance Facility

May 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Mariyung Maintenance Facility at Kangy Angy is purpose built to service and maintain the Mariyung fleet of intercity trains, which will progressively replace the aging V set trains across the intercity network.

UGL Limited operate and maintain the facility on behalf of Transport for NSW and Sydney Trains.

Upcoming weekend work – Saturday 17 and Sunday 18 May

We will be working from 7am to 5pm on Saturday 17 May and Sunday 18 May to remove steel handrails and install fiberglass handrails within the site facility.

To minimise disruption to the rail network and for the safety of staff and customers, some work is required to take place outside of standard construction hours, during scheduled Sydney Trains trackwork.

Equipment

Equipment to be used includes handheld power tools.

What will this mean for you?

You may notice some noise from construction activities, as well as workers on site.

Managing our impacts

Every effort will be made to minimise construction impacts to the local community.

This work may generate minor noise at times, however we will take every possible step to reduce noise like turning equipment off when not in use.

Contact us

Working closely with the community is important to UGL and Transport for NSW. We appreciate your understanding while this is completed.

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**. Residents can contact UGL directly by calling 0428 165 203 or emailing kaenquiries@ugllimited.com

Information about the project can be found at transport.nsw.gov.au/projects/current-projects/mariyung-maintenance-facility or by calling 1800 684 490 or emailing projects@transport.nsw.gov.au.
