

Maintenance work on the Hume Highway at Marulan from Sunday 2 February

February 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

What work are we doing?

We will be replacing the most damaged concrete pavement slabs on the southbound lanes of the Hume Highway at Marulan, just south of Medway Road, for 1.4 kilometres. This work will support future repairs on the Hume Highway at Marulan.

When we will be working

Work will be carried out at night from **Sunday 2 February for three weeks between 7pm and 6am, Sunday to Thursday**, weather permitting.

How will this work affect you?

There will be temporary impacts to residents and motorists while we carry out this work.

You may notice:

- workers and vehicles
- traffic controllers and signage
- lane closures and reduced speed limits
- noise from machinery and equipment.

We will make every effort to minimise our impacts and complete this work as quickly as possible.

Traffic impacts

During work, single lane closures and a reduced speed limit of 40 km/h will be in place.

Outside of work hours, single lane closures and a reduced speed limit of 80 km/h will be in place until work is complete.

Access to businesses and residences will be maintained at all times.
