

Medlow Bath track maintenance

From Friday 5 September to Monday 8 September 2025

What we are doing

To improve service reliability, Sydney Trains will complete maintenance works at Medlow Bath from Friday 5 September to Monday 8 September.

Work activities include rail replacement and underlying service crossing installation.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- Works will take place from 6am Friday 5 September to 4pm Monday 8 September.

- Diesel work trains may have their engines running on site for an extended period.
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

Traffic and parking

- We will park our vehicles inside the rail corridor where possible, however street parking will be limited near work sites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
