

Moss Vale Station and Stabling Yard Upgrade

Community notification

September 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Further to our previous September community notification, we will be working from 6am to 6pm on Saturday 13 and Sunday 14 September.

When and where we'll be working

Construction activities will take place within the stabling yard.

For the safety of staff and passengers, this work will occur during a scheduled Sydney Trains trackwork period when no trains are running, and the station is closed.

Train replacement buses will be leaving from Argyle Street on Saturday 13 and Sunday 14 September 2025.

Traffic changes

Lackey Road will continue to have intermittent traffic control, including some partial lane closures to enable deliveries to the stabling yard.
