

Pavement maintenance on the Newell Highway north of Narrabri

June 2025

Transport for NSW acknowledges Aboriginal as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is carrying out essential pavement maintenance works on the Newell Highway north of Narrabri from 16 June.

What work are we doing?

The work will include asphalt placement to restore the road surface to a safer and smoother road.

We will be carrying out this work at night to minimise impacts to motorists.

When and where we'll be working

We will be working on the Newell Highway at two locations:

- from about 3 kilometres north of Narrabri for a length of about 600 metres at the rail overpass **from Monday 16 June – Monday 23 June**
- from about 4 kilometres north of Bellata for 50 metres either side of the rail overpass **from Tuesday 24 June – Friday 27 June.**

We will be working at night, and work hours will be between **4pm and 6am, Sunday to Friday.**

Work is expected to take two weeks to complete, weather permitting.

What will this mean for you?

You may notice:

- workers and vehicles
- traffic controllers and signage
- reduced speed limits in place.

For the safety of workers and motorists, lane closures and a **reduced speed limit of 40 km/h** will be in place during work hours. Outside of work hours, there will be a **reduced speed limit of 80km/h** until works are complete.

Managing our impacts

We aim to manage our work to avoid impacts to the community and the environment by:

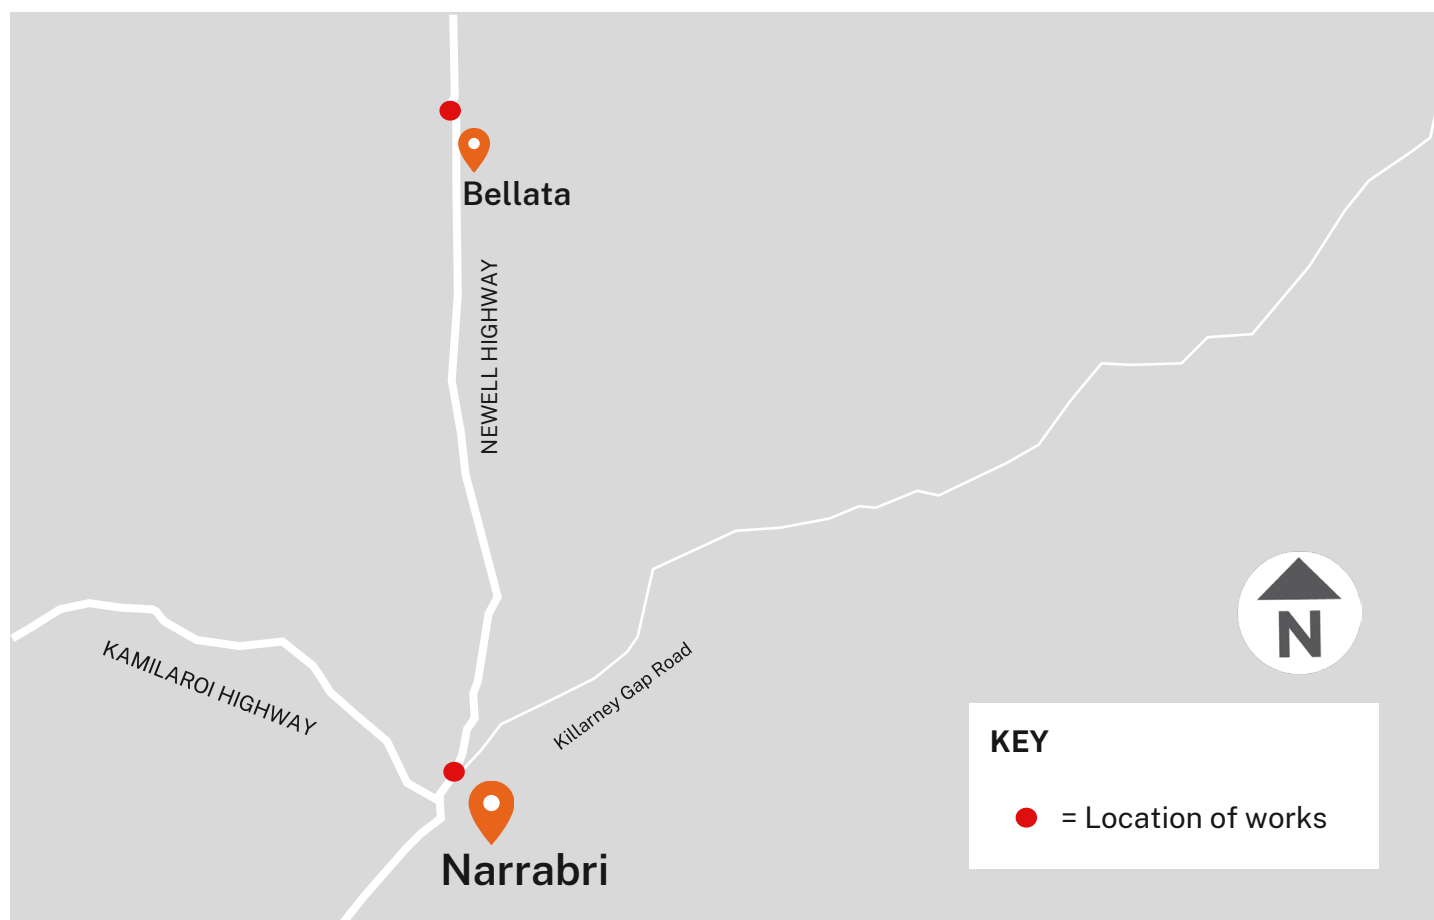

- reducing our noise as much as possible
- directing any lighting away from traffic
- turning off machinery and vehicles when not in use.

Ongoing delays of at least fifteen minutes should be expected when travelling between Narrabri and Moree. Motorists are advised to drive to the conditions and follow the direction of signs and traffic control.
