

# Newnes Junction to Lithgow track maintenance

From Monday 1 September to Friday 12 September 2025

## What we are doing

To improve service reliability, Sydney Trains will complete maintenance works between Newnes Junction and Lithgow from Monday 1 September to Friday 12 September.

Work activities include:

- Civil track maintenance
- Contact wire renewal at Lithgow
- Culvert upgrade at the Zig Zag
- Drainage maintenance at the Zig Zag tunnels
- General routine maintenance activities to improve safety at stations
- Lithgow resignalling stage works
- Routine signal and electrical maintenance
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Track slab replacement at Zig Zag tunnels
- Vegetation maintenance, litter, and graffiti removal.

We understand this work may have an impact on you and we appreciate your patience and understanding.

## How this affects you

### Noise

- These works may create additional noise during the day and at night.
- Work will take place from 2am Monday 1 September to 11pm Friday 12 September.

- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to daytime travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Finishing works including the removal of equipment may take place beyond the dates stated above.

### Traffic and parking

- Heavy vehicles will use local streets to access the rail corridor. Parking will be limited near access gates.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
